COUNCIL OF BARRINGTON GARDEN CLUBS January 17, 1978

The meeting was called to order by Maxine Borah, President. The minutes were read, the treasurer'r report given and both approved.

The meeting proceeded as according to the attached agenda, with Pepper Wichman of Village Planters giving us the details of the bus trip to the Flower Show in Chicago.

No action was taken on Trees for Tomorrow as there had been no applicants from Lake County. Will be discussed at a later date.

There was a suggestion that a Garden Council Flower Show be held and all present were asked to take the idea to their Clubs and to come up with lists of workers and exhibitors from each.

The meeting was adjourned with Mrs. Borah extending an invitation to the next meeting in her new home.

Respectfully submitted.

VILLAGE PLANTERS GARDEN CLUB
1/17/78
Peg Faxon (381-7199)
Club Representative to the Barrington Council of Garden Clubs

Our two favorite programs in the past two years have been:

1) 5/24/76 - "Flower Arranging Workshop" - Gloria Ormerad

   She also spoke to our club at a previous meeting and we feel she is one of the most helpful and informative speakers we've had, and gives a GREAT program.

2) 9/27/77 - "Fruits of Labor Garden Show" - Ruth Dodge, Judge

   Members were asked to bring exhibits made with plants, flowers or vegetables from our gardens with the following four classes:

   1) Floral design (Formal, informal and dried)

   2) Vegetable design (Formal or informal)

   3) Horticulture

   4) Herbs (Fresh or dried)

   As we are a fairly new club, this was our first "Show" and we all felt it was a fun learning experience and that we benefited VERY much from the constructive criticism given. She explained in detail why we were judged as we were. She, too, is very helpful, and we would recommend her for a good program.

2 best programs -

(1) "Arranging Flowers from Your Garden"
by Melinda Robertson

This was given by a club member who didn't charge anything dues - She is not available now as she is teaching full time.

(2) a field trip to Jamaican Garden in the spring

P.S. We were disappointed in our paid speakers.
