## MOCK ELECTION NEARS

Plans for the mock election, which is sponsored by the history classes and the discussion clubs, are now in the final week of preparation.

If you had been in class on Tuesday and Wednesday mornings, you would have been surprised to find that in place of regular procedure of dissecting sentences or mastering formulas the students were being informed of the issues of the campaign by speakers from the American history classes. Displays on the topics discussed were on exhibit in the study hall for the further edification of the student body.

Today is registration day. From 8:30 to 12:00 and 12:30 to 2:00 the students of B. H. S. will register in the study hall. Anyone who has not registered will not be able to vote in the election.

On Monday the entire student body will meet in the gym from 10:30 to 12:00 for a gigantic political rally. Representatives of the major candidates and parties will present short speeches for their various causes. Music, banners, and parades will enliven the program. Students are asked to align themselves with one of the major candidates for a state office and sit in the section delegated to supporters of that candidate.

## NANCY LEONARD--QUEEN

Last Thursday in assembly Nancy Leonard was voted to reign as Homecoming Queen. Helene Herriman and Jessie Witchie, who stood next highest in the election, will serve as her attendants. These three girls were chosen by the student body from the entire list of seniors. This is the first announcement concerning the election.

Nancy and her attendants will occupy the limelight in the Homecoming parade, riding in a convertible. The coronation will be the main feature of the half-time ceremonies. Nancy's escort for the coronation will be Don Jeppsen, president of the senior class. The two attendants will be escorted by Arthur Vanderveen and Dunlop Anderson.

## HOMECOMING THIS SATURDAY

After all the weeks of planning for Homecoming, everyone will want to make sure to get out and see the parade. We meet at the north door on Lake Street at 12:45 p.m., sharp! The school band will furnish the music, and rumors are abroad that they're planning to have baton twirlers.

The game with Northbrook will begin at 2:00 p.m. Let's have plenty of support. Cheer the Bronchos on to victory.

The Queen and her attendants will occupy the position of honor in the parade. They will be preceded by a police escort, the color bearers, and the school band. The order of appearance of floats is as follows:

- CLASS FLOATS
- Senior
- Junior
- Sophomore
- Freshman
- DRIVER TRAINING CAR

## PARENTS -- ALIBIS NOT PERMITTED BE ON TIME!

Next Tuesday, October 26, is "Go to School Night" for parents of children from kindergarten through senior high school. The theme this year is "Education--an Investment in People." The theme was taken from a chamber of commerce report on a study of this topic.

The parents will assemble in the gym at 8:00 p.m. If they appear after 8:05 p.m., they will be considered tardy. The first event of the evening will be a regular assembly in the gym. Then there will be an orientation period, during which they will see the school and visit the teachers.

To top off a very interesting and profitable evening, refreshments will be served. Be sure to tell your parents to come!

## PICTURES TO BE TAKEN OF HOMECOMING EVENTS

Several members of the Barrington Lions' Club have purchased six or seven hundred feet of color film and have engaged an outstanding photographer to be present for Homecoming activities to photograph the parade, flag-raising ceremonies, crowning of the queen, football game, and dance in the evening.

After the film has been developed it will be given to the school as its permanent property. This is a commendable act on the part of the Lions' Club and individual members who have sponsored the project. The school appreciates the interest shown.

## MAGAZINE CAMPAIGN OCTOBER 28

The annual B.H.S. magazine campaign begins October 28, and continues for four days. This campaign has been a great success in the two previous years. In 1946 the gross sales reached \$3,971, and in 1947 they were \$3,568.

The objective of this campaign is to support the many extracurricular and educational activities. In the past such things as cheerleader outfits, football parkas, lighting equipment, tape recorder, public address system, educational tours, camera for camera club, and help toward the senior class trip have been provided from this money.

The school receives fifty per cent of the income from the Curtis magazines and thirty per cent from all of the others. There are numerous prizes given away, among which are grand prizes, group awards, and individual awards.

This campaign will be worth everyone's while; so, even though it hasn't officially started, everyone can begin drumming up prospects.

# BRONCHOS TRAMPLE PALATINE, 38-0

The Bronchos, aiming for their first football championship in many years, kept their winning ways last Saturday by trouncing the Palatine Pirates before a Palatine Homecoming crowd.

It didn't take long for the Broncho eleven to get going. After a nice run back of the opening kickoff by Frey and hard running by Kranz and J. Hansen, Kranz took the ball over from the eight yard line. The extra point attempt hit the upright, and the score was 6-0.

In the last few minutes of the first quarter Barrington had another opportunity. Palatine fumbled a punt and lost the ball. The Bronchos marched to the seven yard line, but the attack was stalled as the period ended. Palatine punted, and Shuett ran the ball to the Pirates' twenty-seven. After three running plays, J. Hansen plunged from the two yard line for the score. Kranz's kick was good. Score: 13-0.

The Bronchos threatened again before the half ended, but were unable to score. Following several unsuccessful passes Tukey faked a kick and handed the ball to Frey, who dashed twenty-five yards on a beautiful play.

The third period proved to be the most fruitful for the victors, for they scored nineteen points.

A Palatine punt was blocked and was recovered by Barrington on the nineteen. Three successive running plays by Hansen, Kranz, and Baumann brought the ball to the one yard line, where Palatine fell on a fumble. A few plays later, however, the Bronchos were back knocking at Palatine's goal line.

From Palatine's thirty-five Kranz picked up twenty-one yards. Then a big hole opened up, and Shuett side-stepped his way for a touchdown. Again Kranz kicked the extra point, and it was 20-0.

J. Hansen intercepted a Palatine pass and ran forty-three yards behind some good blocking for the next score. A penalty forced Kranz to try for the conversion from the fifteen, and the place-kick was blocked. Score: 26-0.

Another fumble set up Barrington's

# BRONCHOS FACE NORTHBROOK AT HOMECOMING

The big event of every football season, Homecoming, takes place on Saturday. On that day the Bronchos will encounter the Northbrook Vikings, currently occupying last place with Palatine in conference standings. The fact that they are in last place, however, should not be taken too lightly.

The Bronchos have been unscored upon in conference play, and would like to preserve that record, as well as their undefeated mark. While the Bronchos overwhelmed Palatine 38 to 0, Northbrook went down to defeat at the hands of the Pirates, 6 to 0. The Vikings have been beaten by Grant as well, but vanquished Antioch last week. The team can't be judged by play against one opponent, and anything is likely to happen in Saturday's game.

fifth touchdown. Beutel recovered the ball on Palatine's twenty-five yard line. Frey then passed to Hick for twenty-two yards and six points. The extra point was no good.

The last marked came in the waning minutes of the game. George Hansen tossed to Roake on the twelve, and he was tackled on the eight. Baumann lateraled to George, who ran the remaining distance for the score. Again the conversion failed.

Barrington gained a total of 441 yards to Palatine's 135. The Bronchos had fourteen first downs, attempted fifteen passes, and completed four. Palatine tossed sixteen passes and completed four.

# PONIES TIE PALATINE, 6-6

The Ponies tied their second conference game last Saturday by battling Palatine. The team lost some defensive punch and offensive line play when Mike Disney broke two ribs in the previous game with Bensenville.

John Popp received the kickoff, and had one Palatine tackler not been there, he would have been on his way to a touchdown. It looked as if it would be the Ponies' game from then on. They managed to move the ball to the nine yard line, but then gave it up on downs. Then a ninety-one yard "line plunge" by Krause of Palatine gave the home team a touchdown.

Two Barrington touchdown passes were dropped, and that constituted the Ponies' scoring threat in the second quarter. In the third period the Ponies moved to the goal line when Paulson tossed Popp a pass. Then Aevermann took the ball over.

During the remainder of the game both teams fought to a standstill. Excellent line play, both offensive and defensive, by David F. Hansen helped to thwart the Pirates.

## MUSIC NOTES

The new music has arrived for boys' glee club, girls' glee club, and a cappella. As well as they do on the old music, something new should really give them inspiration to do some sensational work.

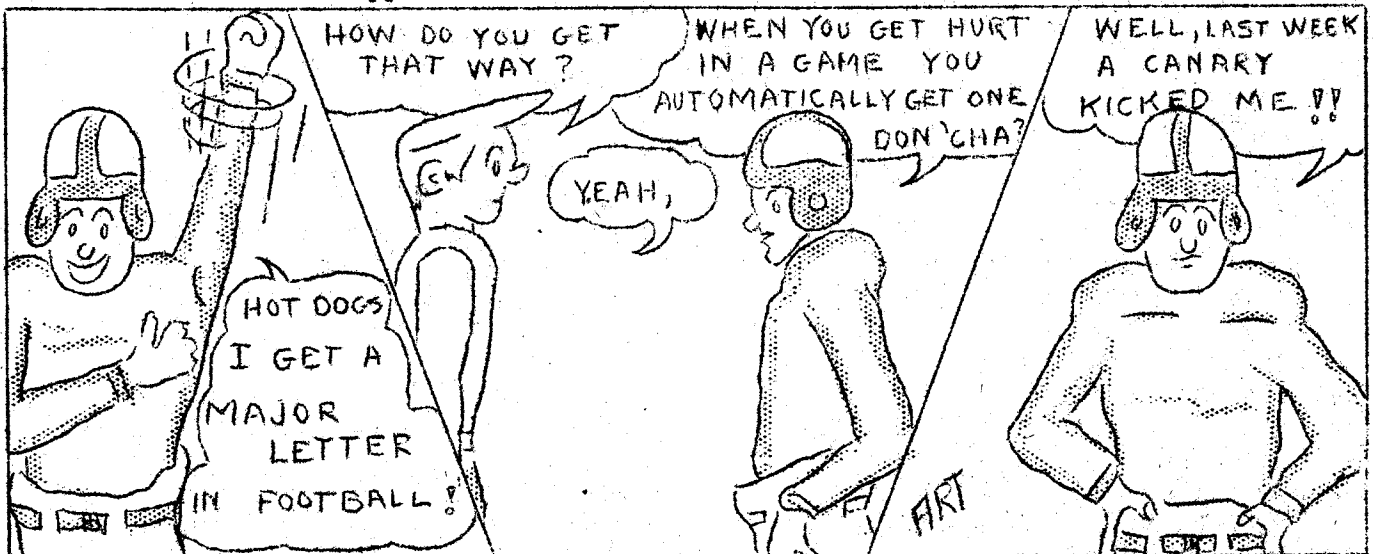

The band will lead the big Homecoming Parade Saturday afternoon, October 23. The parade will begin at 1:00 p.m. at the north door. Also the band will play for the crowning of the Homecoming Queen during the half of the game. We want to see all of you there to support the team.

## KNITTING CLUB

Would you like to learn how to knit a sweater, a pair of socks, or mittens? If so, you are welcome to come in and learn. The Knitting Club meets informally in Miss Gorman's room, third periods on Tuesday and Friday.

The club was organized strictly for those who are interested in knitting. There are no dues or officers. Anyone who wishes to learn to knit or likes to knit is eligible. The members say it's fun.

Manners are of more importance than laws. Upon them, in great measure, the laws depend. The law touches us but here and there, and now and then. Manners are what vex or soothe, corrupt or purify, exalt or debase, barbarize or refine us, by a constant, steady, uniform, insensible operation, like that of the air we breathe in.  
--Edmund Burke.

## BARRINGTON STUDENTS ATTEND LEAGUE OF WOMEN VOTERS MEETING

Eight pupils of Barrington High School—Nancy Leonard, Sarah Mee, Vivian Jutzi, Lois Heidke, Jack Tukey, Dick Aspinwall, Forrest Berghorn, and Kit Lasch—were guests of the League of Women Voters last Tuesday afternoon. They attended a meeting of the organization at the home of Dr. and Mrs. Sumner L. Koch. The speaker of the day was Mrs. Joseph A. Nyberg, whose topic—"Is Politics Your Job?"—applied itself to the coming mock election at this school and, of course, to the real one in November.

Mrs. Nyberg first explained the Illinois state ballot and the proper voting procedure. She was somewhat critical of the provisions made by the Illinois constitution for the election of the lieutenant governor and the governor's cabinet. One of the projects of the League is, indeed, arousing interest in the revision of the state constitution. Then the speaker dwelt on the electoral college. She presented arguments both pro and con, although she by no means included all the arguments for either side. After she had concluded, there was a brief discussion concerning the number of electoral votes each state has and how this affects the election.

The experience for these eight people was an unusual and a stimulating one. It is to be hoped that the members of the League found as much pleasure in having them as guests as they enjoyed in being there.

## NOTICE!

It is hereby announced that the colossal G.A.A. homecoming float of 1948 will make its first appearance on the streets of Barrington, Illinois, on the twenty-third day of October, nineteen hundred and forty-eight. Watch for it. It will be worth it.

## CAMERA CLUB TAKES FIELD TRIP

On Sunday afternoon, October 17, at two o'clock thirteen members of the Camera Club participated in a field trip to Suchy's Gravel Pit. This abandoned pit is located on West County Line Road.

The boys met at the depot and were transported to their destination in two cars. They had supplied themselves with "props" in order to take pictures. The small lake provided subject interest for the shots.

Most of the boys used black and white, but a few had access to colored film. The pictures will be printed and displayed at a future meeting of the Camera Club.

The event was enjoyed by all, as it was a beautiful fall day. Those participating were John Porter, Don Hansen, John Suchy, Dave Heckmiller, Royce Stayner, Jack Schauble, Wayne Jensen, Howard Steward, Kenneth Kreeger, John Sproul, Dave Parmalee, Peter Sturtevant, and Bri Anderson.

### DECORATED BICYCLES

The Student Council, sponsors of Homecoming, will decorate the gym Friday for the dance. There will be a prize given to the class of alumni with the most members present.

See you all Saturday night. WHERE?  
High school gym. TIME? 8:30 p.m.

COLLEGE NOTE: A boy wrote home, "I'm getting along fine in everything except school."

## CHEF CLUB TO HAVE SUPPER

From the all-powerful hamburger committee to the slight liquid refreshments committee the Chef Club will have its first test of ability Friday night. Plans are being rapidly advanced.

After the supper they are going to work on the float at Gale Whitmer's grandmother's house. The float is going to be something super duper, something really unique, a prize winner.

### MOCK ELECTION NEARS

(Cont. from page 1, col. 1)

The climax of the entire project will be the election of state and national officers, which will be held on Thursday of next week. All eligible voters will cast their votes in the study hall from 8:30 to 12:00 and from 12:30 to 2:00.

It is hoped that all members of the student body will cooperate to make this an interesting and informative, as well as entertaining, experience.

### DIPLOMACY

Teacher: Bill, give me a sentence with an object.

Student: Teacher, you are very pretty.

Teacher: What is the object?

Student: My report card.

The mother was buying a fountain pen for her daughter as a going-away-to-school present.

"It's to be a surprise, I suppose?" observed the clerk.

"I'll say it is," said the mother. "She's expecting a convertible."

The proprietor of a successful optical shop was instructing his son how to charge a customer. "Son," he said, "after you have fitted the glasses, and the customer asks what the charge will be, you say, 'The charge is ten dollars.' Then pause to see if he flinches. If the customer doesn't flinch, you then say, 'For the frames. The lenses will be another ten dollars.' Then you pause again, this time only slightly, and watch for the flinch. If the customer doesn't flinch this time, you say quite firmly, 'Each.'"

## MASQUE AND WIG

The Masque and Wig meeting opened yesterday with the paying of all first semester dues. After this, several members volunteered to take part in the pep assembly Friday afternoon.

A program service bureau was organized to plan the Masque and Wig programs and help the plays to get under way for practice right after the junior class play is given. Members of this bureau include Richard Ellerbrake, Bill Thomas, Peggy Reyer, and Nancy Weber.

After volunteers for helping with the float were called for, the business meeting was adjourned, and the meeting was turned over to Jane Brintlinger and Audrey Witte, co-authors of a play which they presented with the help of other members of the club.

## R.T.D.C. AND D.S.

The meeting of the Friday R.T.D.C. and D.S. was almost entirely spent in the planning of the club Homecoming float.

The remaining minutes of the period were devoted to a very brief initiation for newcomers in the organization. This consisted of pledging allegiance to the Friday Discussion Club in the darkened history room, with one hand of the new member on the globe and one on the current literature. Those initiated were Vivian Jutzi, Nancy Leonard, Sarah Mee, Richard Weldon, and Betty Piltz. Forrest Berghorn was the presiding master of ceremonies while Jim Frey presided at the door and Guy Armanetti as usher.

It was suggested that next week the Monday group meet with us on Friday to discuss the mock election plans.

## RUDIMENTS OF DANCING EXPLAINED IN ASSEMBLY

Last Thursday's assembly featured a motion picture sponsored by the F. H. A. concerning social dancing. The basic steps were demonstrated on the screen, and, while it is doubtful that all of them can be mastered overnight, the film created an interest in the art of good dancing.

## SQUARE DANCERS PERFORM AT GLENBARD

Last Saturday night, the Square Dance club started out on what they hope will be a happy year of exhibition dancing. Through Jeannie Noyes' cousin, they were invited to perform at a Sweater Hop given by Glenbard High School. The entire trip was very enjoyable even though it was marred by those first performance mistakes. Everyone enjoyed himself greatly and returned tired but happy.

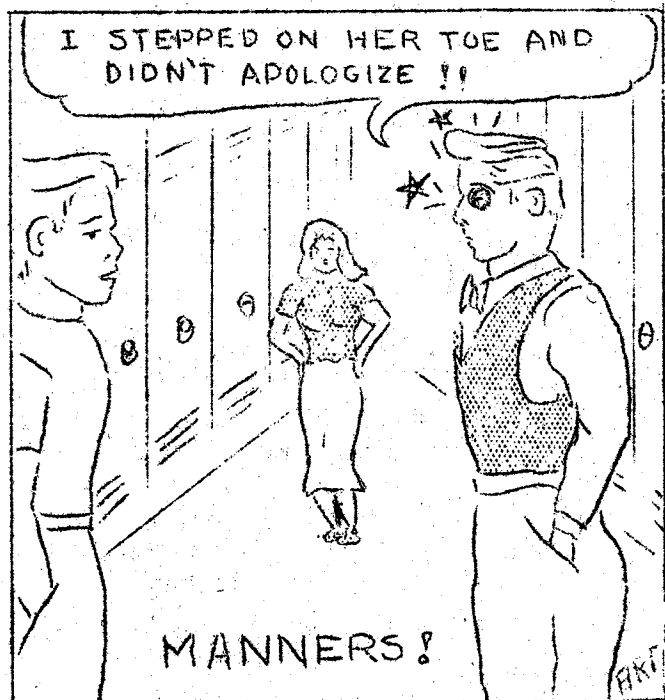

## FRESHMAN SPEECH CLUB TO PRESENT PROGRAMS

The Freshman Speech Club opened yesterday with news concerning the float which the Club was to enter in the Homecoming Parade. The idea was planned, but a hay wagon was not available. Well, better luck next year!

Tryouts were started for the assembly program that is to be given soon. The tryouts, it is hoped, will be completed by next week.

The club also voted to sponsor the Armistice Day program.

## KAROUSING KID

Only two more days and homecoming will be here! Now that the big election is over I hope everyone is pleased with the choice of this year's queen. Choosing the queen was a tough job, but everyone should be happy with the results.

Speaking of homecoming, I have a bit of advice for all the gals. Take this little four line hint, and you can't go wrong:

I wish I were a kangaroo  
Despite his funny stances,  
For I'd have a place to put the junk  
My girl brings to the dances!

Virginia Black, the third member of the Black family to join our ranks, is a new freshie.

Football and a lively personality all equal Freshman Ernie Gerlach. He certainly seems to get around, and he thinks B.H.S. is a grand old school.

Saint Anne's gives us two more new studes. They are Jim O'Brien and David Parmalee. Welcome to the freshman class, kids!

I'm sure we all profited by having an extra day of vacation this week. To help celebrate the occasions quite a few juniors and seniors went roller skating Sunday night. There were no serious collisions, just a few headaches from that "whizzing" sensation.

Some people have more energy! People who happened to be in the vicinity of the cemetery or East Park about 7:00 (yawn) Friday morning thought they were seeing things. But, no, that was just Marillyn Patterson and Betty Catlow looking for their biology specimens. "We'll find them," was their motto.

Paul Eby was back in town for a few too short days. He's still the same old Paul except that now he is wearing Uncle Sam's uniform.

This is the last we'll be seeing of Jim Gools for a few months. Jim is leaving within the next few days for that far off land of rice and chopsticks. Yes, he's headed for China on an errand for Uncle Sam. The best of luck wherever you go, Jim, and let us hear from you soon.

So long,  
K. K.

## PERSONALITIES OF THE WEEK

Our senior girl for the day has brown hair and "bluish-brown" eyes and is five feet four inches tall. Her name is Doris Ann Jahnke, known by her best friends as "Dodie." Doris was born March 22, 1931.

When she graduates, Doris plans to go into nursing, either taking four years of college at DeKalb first, or going directly into Augustana Hospital. She hopes some day to be head nurse of a children's hospital.

Her hobbies are collecting miniature pitchers and writing letters. (When I asked, "To whom?" Doris was coy and would not tell, but I think this would offer an avenue of very interesting investigation.) Her activities have included Camera Club, Square Dance Club, Freshman Speech Club, Orchestra, Girls' Glee Club, Broncho, and Corral Staff. Her pet peeve is "having things I say twisted the wrong way."

Get a load of the middle name of our next victim! Richard Fognurzle Biek. He was born November 16, 1931, and has now grown until he is five feet eleven inches tall. (He told me eleven feet five inches, but I didn't believe him.) He has dark brown hair, dark skin, and brown eyes. His immediate ambition, to be a brick-layer during the summer, is rather prosaic; but the future he has mapped out for himself is really something--first, college for from four to six years, then to the position of biology or mathematics teacher, back for a master's degree, continued study of biological research, then to school for a degree in medicine, then back to biological research. "Hew!

His main interests are dramatics, square-dance calling, fiddling, and youth work. His hobbies are dramatics, square dancing, the fiddle, the baritone horn, youth work, swimming, and keeping a scrap book. His activities have included Masque and Wig, National Thespian Society, Junior Class Play, director of one of the Three One-Act Plays, A Cappella, Square Dance Club, Band, and Orchestra.
