DEAR FRIENDS OF THE ARTS,

The **Barrington Area Arts Council (BAAC)** is a not-for-profit organization which seeks to promote, encourage and sponsor the presentation of programs and activities in the visual, literary and performing arts.

The BAAC gallery and office is conveniently located at 207 Park Avenue in downtown Barrington. The Gallery has changing monthly two and three dimensional exhibits and is open Monday through Friday from 10:00 a.m. to 4:00 p.m. It is also open on Saturday from 10:00 a.m. to 2:00 p.m.

Gallery receptions are held on the first Friday of each month from 7:00 p.m. to 9:00 p.m. offering an opportunity to meet exhibiting artists. We invite you, your family and friends to visit and enjoy these exhibits.

Since its inception in 1977, BAAC has grown to 600 members. In the course of a year, more than 65 events, programs and workshops are produced or sponsored in the disciplines of: theatre, art, dance, music, writing and special events including Arts-Boost, our regranting program, the "Curator," a monthly newsletter, Whetstone, an award-winning literary magazine and two community fine arts fairs. We also work jointly with other area artists, arts groups, schools and businesses.

To assure the quality and scope of cultural programs, as well as finance certain overhead costs, funds are generated from membership dues, contributions from individuals and corporations, grants from the Illinois Arts Council, a state agency, foundations, interest from endowment funds and exciting yearly fund raising and "friend raising."

By participating in the "Camelot" benefit, you are helping BAAC in its commitment to making the arts a part of our lives and our community. Thank you for being a friend of the arts.

Have a wonderful evening!

THE 1994-95 BAAC BOARD OF DIRECTORS

DRIVE A TWO-SEATER THAT SEATS FIVE.

The front wheel drive Volvo 850 Turbo Sportswagon certainly looks like a station wagon—5 doors and a huge 67.0 cubic foot cargo bay.

It sounds like one when you mention the side impact air bags. An air bag system pioneered by Volvo, which helps protect driver and front passenger in certain side impact collisions.

But get behind the wheel and other comparisons come to mind. Immediately, the 222 horsepower intercooled, turbocharged engine feels very unwagon-like.

Test drive a new Volvo 850 Turbo Sportswagon. You'll pretty much forget you're in a car with 5 doors.

Drive safely. VOLVO
