

hoopla – Instructions for a Computer

Go to www.hoopladigital.com to browse and stream audiobooks, movies, and TV shows

Sign Up or Log In

- There is a one time sign up process
 - Click Get Started located in the center of the page
 - Choose the Barrington Area Library
 - Follow the prompts to get set-up with your account
- Log In
 - Click Log In located in the upper right corner of the page
 - Enter the e-mail and password you used to sign up for hoopla

Find an Audiobook, Movie, or Television Show

- To find a specific title, click search located at the top of the page
- To search by format (audiobook, movies, television)
 - Hover over the browse heading at the top of the page and click on your preferred format
 - To narrow further, use the filter tab
- Get more information and additional recommendations by clicking on the image

Borrow or Add to Favorites

- Click on the image of the title you'd like to borrow and click the blue Borrow button
- If you have reached the limit for the month, or the library has reached it's allotted budget for the day, click Add to Favorites
- The Borrow button is located under each episode for television series

Play content

- Click play and your audiobook will begin
- The first time you play a movie or television show, the browser will ask to install a free plug-in called Widevine. Follow the prompts to install

Help – For additional help please call the Barrington Area Library at (847) 382-1300 x 3500
