PLEASE NOTE

If you've never ordered from Market Day, make October your month to try. We need **80 orders and $5,188** in sales to earn **$400 in free books for our school**. Plus, we'll still get 10% of our total sales in profit. Not sure what to try? The ChicNSteaks are a popular purchase, there are several varieties of soup that are great to have on hand, the Apple Berry Breakfast Bowl has been getting rave reviews and there are quite a few lunch/snack items to help you fill those lunchboxes.

Remember Market Day when you are planning any school functions or meetings. If you are going to supply food, why not make money for our school at the same time. The next sale date is October 9th. Contact Wendy Sowders (382-7113) or Karen Twohig (304-6652) if you have any questions.

Remember: we do have school on Fri., September 14th ! The calendar in the School Bell Is incorrect.

IT'S TIME TO BLAST OFF WITH THE BIRTHDAY BOOK CLUB

2007-2008

We are hoping to continue the success of the last few years' program, when we were able to provide our school library with over 200 new books. These personal donations from the kids are a delightful source of pride for all of them, which benefits the entire school now, and for years to come.

Once enrolled, your child(ren) will be able to select a book from a special collection purchased for the program. These books have been reviewed and recommended, are library bound, and meet the criteria of the American Library Association for the selection of library books. The book chosen by your child is then donated to the library. Each child enrolled is honored for their donation in the following ways…

- The names and pictures of all participating children are displayed in the library
- Their name is "engraved" in the book they select
- They are the first to check out the book
- They are invited to spin the ***"Birthday Wheel"*** on their special day as a thank you for enrolling in the Birthday Book Club
- They receive a prize to celebrate the occasion (Summer birthdays and those already passed this school year will be celebrated in October)

In order to participate, we are asking for a donation of $16 per child (the average price of a book). Any family that would like to participate, but is concerned about the donation amount, please call Susan Laudick at 847-487-0128. We would like for all children who are interested in the program to have the opportunity to do so.

On the reverse side is a sign up form. Please enclose your check (or cash) for $16 per child with the form, a small (2"x2" or smaller) photo (anything from whole body to just the head) and return it to the library or office by Friday, September 28th. Checks should be made payable to the ***"North Barrington School Library Fund"***.

Thank you for your support of our library and this program!

BLAST OFF WITH THE NBS LIBRARY BIRTHDAY BOOK CLUB

2007-2008

Please supply the following information for each child you are enrolling. Enclose your check (or cash) for $16 per child with the completed form and photo and return it to the NBS library or school office by Friday, September 28th. The sooner you send in your photo, (2"x2") head shot or whole body, the sooner your picture will appear on one of the stars in our library "outer space" bulletin board. Please write your name on the back of your child's photo. Checks should be made payable to the "North Barrington School Library Fund". If you are enrolling more than one child, simply list all your children's information on one form and please return the form, picture and check to your child's teacher. We will take care of the rest. Library Sharing is Here!!!

Library Sharing is off to a great start!! Library Sharing started on Monday, September 10th with a lot of participation. Just as a reminder to parents who are not familiar with sharing (or as a refresher for those that are), please have your child bring 1-2 books with them that they have read at home, at school, on the bus, or wherever!! On their designated Library day and time, they can share what they have read with the Library Volunteers and earn play money which they deposit in their bank and can use later to purchase merchandise in the Library Store. The 1st and 2nd graders will be sharing as a group by "rolling the dice" and answering one or two questions regarding the books that each individual shared. Questions include "Where Did the Story Take Place", "Who Was the Main Character", etc. This is a brand new program to encourage the younger students to share. The 3rd thru 5th graders will share individually with a Library Volunteer and provide a brief summary of the story they read. In order to share books and earn credit, the student needs to bring the book(s) to school on their designated Library time. **Parents - if you want your children to share - please help them to remember to pack their books on their Library Sharing Day.** The days and times for each class are as follows:

Sharing Times - 1st and 2nd graders:

North Barrington School PTO/Yearbook Fees

This year we will again collect PTO and Yearbook fees together, so you only have to write one check. Plus, this is a 2-part form so please send in the original and keep the copy for your records. An alternative option is to go online to www.nbspto.lumatila.com to pay via credit card or use the PTO link from the North Barrington School website.

PTO Fees are collected *from each family, not each child* and you will receive a copy of the **"School Directory."** These fees help the PTO pay for special guest authors, art supplies, Character Counts, music performances, emergency backpacks, Tournament of Readers, Staff Appreciation, habitat/environmental programs, supplies and equipment just to name a few.

If you would like to know more about what the PTO does with this money, please come to any and all PTO meetings, the 1st Thursday of every month at 9:15 a.m. in the multi-purpose room. Everyone is welcome to attend.

The yearbook will be in full color again this year. Using this form last year really streamlined our yearbook ordering process. This form will only come home once via the Weekly Newsletter and again, please send in the original with your check and keep the copy for your records.

If you have any questions about PTO fees, please contact Annette Budzak, Treasurer at 847.713.2427 or annettebudzak@comcast.net, and if you have questions about Yearbooks, please contact Cecilia Rose at 847.277.1430 or cecilia444@comcast.net.

Please fill out the section below and return it to school with a check made out to "North Barrington PTO" or cash no later than October 5, 2007.

Thank you and we look forward to another great year!
