

BARRINGTON LOCAL NEWS NOTES

OFFICIAL DIRECTORY VILLAGE OF BARRINGTON.

PRESIDENT.....MILK T. LANEY
TREASURER:
JOHN C. PLAGGE.....HENRY DOMELA
SILAS BORNEMANN.....C. H. MORRISON

FRIDAY, SEPTEMBER 23, 1904.

The Happy Schoolboy, Bill Shakespeare tells a little tale about a boy who always whined when school time came and whom a man in speed could have a block behind.

Nowadays the boys look forward to the morning when the bell disturbs the autumn air. There's no boisterous and at ground and more and drum-drum, then you know, in William's day. They didn't have a football team.

Vacation time is full of joy. But Jim's not sorry it has passed. This year he's not a little boy. He's twelve pounds heavier than last. With small-like speed does he approach the school? Not much. He's full of steam.

Wanted.—To purchase a secondhand chunk stove. F. O. Willmarth.

Tony Jensen sold his saloon business at Cary last Monday to F. H. Hedeki. Visit the "Magic Well" at the Lend & Haid entertainment Monday evening.

It is said the price of bread will be advanced next week. That is very encouraging.

For Sale.—Cook stove and household furniture at Fred Frey's cottage, So. Cook street.

Chet Purcell has been running No. 654 pulling the Crystal Lake local the past ten days.

Everybody is invited to the W. R. C. entertainment next Wednesday evening. There will be a good program.

Lamey & Co. carry the largest stock of window glass in town. They can furnish any size desired. Glazing promptly done.

The Thursday club will resume its regular meetings October 6th at the home of Mrs. Sophia Howarth president of the club.

While preserving fruit Tuesday Mrs. L. H. Hennings was pinned upon the left arm from wrist to elbow by a kettle overturning.

Supervisor James McDonald of Highland Park suffered an attack of paralysis Thursday of last week and is reported in a critical condition.

A dance will be given in Forbes' pavilion Saturday evening, September 24th. Music will be furnished by a Chicago orchestra. Tickets 50 cents.

If you realized how comfortable the Harrier oil heater would make your home these chilly nights and mornings you would go to Greb's hardware and get one.

Spanner Bros. had a survivor here Wednesday and Thursday straightening the street lines on their village property, especially the parcels purchased of the Zimmerman estate.

If you have not purchased your winter supply of coal you had better do so now. It is reported that the trust is short on ready funds. The consumer may prepare to be bled again.

Franklin street between Williams and Elm streets has received a coating of gravel. It is an improvement. "Paradise alley," known also as Chestnut street, should receive the same treatment.

It would doubtless be better all around if school teachers loved the children under their care. However, it would not be fair to ask them to do it at the present average of salaries for teachers.

John Alensky is not a humorist but his narration of how he tried to light a kerosene lamp during the storm last Saturday night is really funny. He had oil, matches and lamps in the house but light he had none.

There is nothing doing in politics in this section. General Apathy is in full control and it's all over but the shouting. Down the state, however, spinners are laboring as though Illinois was in the doubtful column.

Vanity assumes queer form. It is said that during the high prices of beef several weeks ago a Lake street dweller who had beefsteak insisted on leaving the doors and windows open while cooking the same. Now her neighbor adopts the same practice when baking bread.

Colonist Low One-Way Second Class Rates to Texas, New Mexico, Kansas, Oklahoma and Indian Territories Via the North-Western Line, will be in effect on Tuesday, September 20th, October 4th and 18th. For tickets

and full information apply to agents Chicago & North-Western R'y.

It is said that next spring the C. & N. W. R'y will erect new depot buildings at Woodstock, Harvard, Crystal Lake and several other points. Perhaps after a modern depot building has been erected at Mt. Prospect the company will recognize the needs of Barrington.

Charles Watrous, assistant postmaster at Waukegan, has been appointed as postmaster to fill vacancy caused by the death of C. Murray. The salary is \$2,700 per year and the unexpired term 18 months. Mr. Watrous has selected as his deputy James L. Swayer who was formerly deputy county clerk.

Next Sunday the M. E. Sunday school will observe "Rally Day." The church will be decorated for the occasion with autumn leaves, with flowers, etc., and a program adapted to the celebration of the day will be given at 10:30 o'clock. The public is cordially invited to attend this exercise and help the Sunday school to celebrate the day.

A change of time went into effect in the division of the Northwestern Sunday. The Sunday train from Chicago, arriving here at 9:35 a.m. is discontinued. The week day train going south in the afternoon (known as the "turn around") now leaves at 3:05 instead of 3:00. The train Sunday evening doing good north at 7:35 has also been discontinued.

If the village board has interest in the future of the village the ordinance for five foot walks in the residence district should pass by unanimous vote. The ordinance is now under discussion. The proposition is that five foot walks instead of four foot be put down, the village to pay one-fifth of the cost, or the expense of the additional foot. Other villages have adopted the plan which seems to be a popular one. It greatly improves the appearance of the village to have walks of uniform width.

Show Well Patronized. The trained animal show which exhibited here Thursday evening under the name of Peter Bros. shows was practically the same as was seen here two years ago known as the Roseco show, but the interest of the audience was not lessened by familiarity with the features, and old friends and old jokes were pleasantly greeted. Despite the lack of promptness between the acts, the performance in itself was a fairly good exhibit of intelligent animals. The attendance was large considering the chilly weather.

Edward Helmerdinger of Woodstock visited his father here Sunday. Miss Sadie Krainin of Chicago visited her parents here Sunday and Monday. Walter Rieger of Falls City, Neb., is visiting his aunt, Mrs. B. H. Solt. Miss Rose Lane of Lee Centre, Ill., is visiting her sister Mrs. G. W. Spinner on Lake St. Miss Gertrude Wager of West Chicago visited with friends here the first of the week. G. W. Spanner and family returned Saturday from a week's outing at Fox Lake and Piquette Bay.

PERSONAL MENTION.

Arthur Schroeder, manager of the telephone exchange, returned Monday from a visit to St. Louis. Gottlieb Helmerdinger returned has returned from a three weeks visit at Ecana's and other Michigan points. John C. Plagge and sons Herbert and Clarence returned Saturday from an enjoyable visit to the St. Louis exposition. Mr. and Mrs. F. W. McIntosh of Chicago were the guests of their parents, Mr. and Mrs. M. E. McIntosh Saturday and Sunday. Dr. R. J. Nate and Miss Geraldine Ogden of Chicago were the guests of Mr. and Mrs. M. C. McIntosh Saturday and Sunday.

Mrs. Frank O. Willmarth, who has been visiting with her mother, Mrs. Flynn, at St. Louis several weeks past returned home Tuesday.

Rev. W. Klingbeil, former pastor of Zion church here, now located at Naperville, was here Wednesday attending the Jubilee celebration of Zion society.

For Sale.—A parlor wood stove and two coal stoves. T. H. Cret, Barrington, Ill.

Faithful Odds Against Him. Bedridden, alone and destitute. Such is the condition of an invalid soldier by name of J. J. Havens, Versailles, O. For years he was troubled with kidney disease and neither doctors or medicines gave him relief. At length he tried Electric Bitters. After him on his feet in short order and now he testifies, "I'm on the road to complete recovery." Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel Complaints. Only 50c. Guaranteed by Geo. C. Roberts & Co., Druggists.

BOWMANS WIN AGAIN.

Members of Barrington Fire Department. A base ball team composed of members of Barrington volunteer fire department has demonstrated on two occasions of late that talking base ball and playing the game are two distinct propositions. The men who composed the products at the game of the Bowman team in this village have taken the conceit out of the fire fighters good and proper.

In the first game, played two weeks ago the score was very nicely evened up, and, no doubt, encouraged the firemen in the belief that they could eventually play the great national game. They were defeated by a narrow margin, therefore entitled to another try to make good their claims.

The Bowmans looked wise and said: "If you fellows have the remotest idea how to play ball and want the idea disseminated, we will be only too glad to lumbe you, gate receipts to go to the Soldier's Monument fund."

The firemen said: "Gentlemen, we will knock the conceit out of you as quick as we did the glass out of Lamey & Co's paint stand; and without the aid of a brick pile."

Last Saturday afternoon on Heise's field, in the presence of a large assembly of citizens and Billy Loco's company of well-dressed rollers, the Bowmans kept their word. Seven innings were all that the firemen stand, the score showing Bowmans 14; Firemen 6.

A collection contributed \$11 to the monument fund. Entrancing music was furnished by the Ladies' Band.

The "Lend a Hand" Girls.

The Lend a Hand girls of the M. E. Sunday school will give a basket supper and entertainment in the church parlors next Monday evening, Sept. 20th. Ladies are requested to bring baskets with supper for two, and their cards in them. The baskets will be sold to the gentleman present. There will be a program given at 8 o'clock after which the evening will be given over to social enjoyment.

The little ladies will have booths at which the guests may purchase souvenirs of the occasion, such as fadgers, popcorn and other sweets. There will be a "Magic Well" from which, it is said if you take a drink, you will ever after be both beautiful and happy. Don't forget the date. Ladies old and young are invited to bring lunch baskets.

Death of Harry Vermilya.

Harry Vermilya, son of Chas. M. Vermilya of Chicago, is dead. While in Alabama he contracted a fever which resulted fatally. He was brought to Chicago, but lived only a week after his arrival.

The funeral was held Thursday, at Nunda, the body arriving from Chicago at 9:30, and being given interment in the Union cemetery, Rev. W. B. Doble officiating.

Mr. Vermilya was well known in this vicinity, having quite recently been operator at the North-Western station in Crystal Lake and had served at other stations along this line. He has a wide circle of acquaintances who sincerely regreted to hear of his demise.

Prompt Payment.

Mrs. Charlotte Earith received an order for \$1,000 in payment of a claim as beneficiary in the policy written for her husband, Richard Earith, deceased, in the Modern Woodmen of America, Wednesday. The first proofs of death were filed on Sept. 14. The claim was paid one week after presenting proofs, showing the promptness in which this popular society pays its beneficiaries.

Colonist Low One-Way Second Class Rates to California, Oregon, Washington, Nevada, Idaho, Montana, Utah, Colorado and Wyoming Via the North-Western Line, will be in effect from all stations daily until October 15, inclusive. Stop-overs and interesting side trips. Two-solid fast trains through to the Pacific Coast daily. "The Overland Limited" less than three days en route. Another fast daily train with dining room and tourist sleeping cars and free reclining chair cars daily. Personally conducted excursions. For tickets and full information apply to agents Chicago & North-Western R'y.

Worse Than the Partisan. James Gill of Toledo, O. has married a girl whose father insisted on having her full name of "Missour Arkansas Napoleon Four Hundred Miles Below the Mouth of the Ohio Abner" placed on the records when the license was obtained. Henry Abner, the malignity of inflicting such a dreadful combination of words upon his daughter, explained that she was named in honor of an aunt who lived at Napoleon, on the Mississippi river, in Arkansas, 400 miles below the mouth of the Ohio.

W. S. Cleveland's Theatre. Beginning Sunday matinee another of Mr. Cleveland's truly great and meritorious vaudeville bills, every one of which are conceded to be the very best and far superior to anything of

the sort to be seen elsewhere in this country, will be given at Cleveland's theatre, now the "most successful amusement resort in Chicago. Mansfield & Wilbur will present their great Melodrama "The Shadows", which has only recently created a profound sensation in New York City. Prominent among the other high salaried stars are Dolan & Lenhart, the most uproariously funny sketch team in vaudeville. The Meredith Sisters, who have just returned from Europe, in repertoire of the newest and most popular songs including "Laughing Water" and "Sweetest Girl in Divie." The costumes worn by these ladies are said to be magnificent.

It is only because of the enormous seating capacity at Cleveland's theatre that Mr. Cleveland is able to present these big expensive shows at prices that average lower than other Chicago theatres, whose entertainments are not to be mentioned in comparison. Two performances every day. Matinee 10 to 50 cents. Nights 10, 15, 25, 35 & 50 cents. Orchestra stalls and box seats 75 cents.

What is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly re-adjust this. It's gentle, yet thorough. Only 25c at Geo. C. Roberts & Co., drug store.
