Cheated Death

Kidney trouble often ends fatally, but by choosing the right medicine, Dr. H. Wolfe, of Bear Grove, Iowa, cured death. He says: "Twenty years ago I had Kidney Trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." Barrington Pharmacy, guarantees them at 25c.

Village Election.

Tuesday next will be held the annual village election. It is the duty of every citizen to take part in the same and it is expected that a good vote will be polled.
Last Spring there were two complete tickets in the field and one independent candidate, and therefore considerable interest was manifested, 273 votes being polled.
Tuesday the voters will find the Peoples Ticket, J. F. Gieske, petition candidate for trustee, and C. H. Morrison petition candidate for police magistrate. A specimen of the ballot is given in this issue on page 5.

While the contest will not be as marked as last year it is predicted that the village will be well raked over for votes, the two candidates for police magistrate having precipitated a warm fight.
