Death of Lyman Peck

Lyman Peck was born in Steuben county, N. Y., August 31, 1827 and died at the home of his daughter, Mrs. Wm. Nasson at Palatine, Ill., on March 20, 1906. Mr. Peck was converted in the early days of his youthful manhood, united with the Methodist Episcopal church and never lost faith in his life.

On June 20, 1850, he was married to Annand Debb, who preceded him to the heavenly home a few weeks ago. Two daughters were born to them, Mrs. Sallie Nasson and Mrs. Jennie Taylor, who with their families and many relatives and friends mourn his departure. In 1857 the deceased came west and a few years later settled in Palatine where he has since resided.

After the death of his companion and wife he seemed to lose interest in the temporal things of life and after a brief illness passed to his reward. Mr. Peck was a hard working man and strove with energy against many adversities.

The funeral service was held at the Methodist church on Thursday afternoon Rev. W. H. Smith, of Park Ridge, officiating at the funeral service, and Rev. Young the pastor, assisting. The remains were laid to rest beside his departed wife in Hillside cemetery.

Cannot Do So Now

A Chicago paper lately contained a most severe criticism of the actions of suburban justices of Cook county, and cited one instance where a justice had disposed of 30 cases in one hour's judgment in favor of a Chicago collection agency, plaintiff, in 29 cases, and issuing immediate executions in all of them.

That was a pretty good hours' grind but a docket in Police Magistrate Morrison's possession shows a better grind than that. Several years ago a Chicago collection agency started its suits before the magistrate then in office on a certain Thursday morning, making the summons in each case returnable the following Tuesday at 2 o'clock a. m. Judgment was rendered in favor of the agency in 47 of the suits; a nonsuit was taken by the agency in one suit because the defendant was in

court and ready for trial, and one suit was dismissed. Not a witness was sworn, not a word of evidence heard. The agency was the "whole thing," and the time taken up less than one hour.

There was nothing irregular in the proceedings. The law allows of just such court work but it is not every magistrate who will show such partiality.

That same agency is now giving to small amount of attention to the selection of justices in the suburban district this spring. The only chance for the agencies and loan sharks is to get hold of a justice whom they can use.

Louisa Niedert

Louisa Niedert of Bern, Kansas, died at the home of her daughter, Mrs. Henry Pepper, Sunday, March 19th of apoplexy, aged 64 years.

Her remains were removed to Kansas Wednesday in charge of Mr. and Mrs. Henry Pepper.

at Old Fellow's hall, Saturday evening.

As is usually the case the caucus held in Barrington township last Friday last attracted a large number of voters and especially was the southeast section of the town well represented.

A combination had been formed to completely annihilate John C. Plague, candidate for assessor, and A. H. Williams, for supervisor, both of whom asked another term of office. John L. Meiners was brought out as a candidate against J. C. Plague, and E. H. Williams, entered the field against A. H. Williams, but there was a very close race in the combination and it failed to work.

The collection was the heaviest ever taken here being three candidates, Geo. Jenks, Frank Dohmeyer and Stephen Palmer. Mr. Palmer defeated both Jenks and Dohmeyer by a most satisfactory margin.

There was a sharp skirmish between Herman Bonath and Henry Bricker for the office of commissioner of highways. Mr. Bricker securing the nomination.

Leroy Powers was renominated for town clerk by acclamation. E. H. Frey and A. H. Fairchild for justice of the peace, John Brasel and H. M. Hawley for constables.

H. H. Meyer will run as independent for supervisor and Herman Bonath for commissioner of highways.

Fourth Anniversary

To mark the fourth anniversary of its organization Mayflower Camp 252, Royal Neighbors, on Monday evening received the Mayor, Warden and their wives at their hall. The招待ations were generally accepted and a large gathering was present to listen to a varied program in which prominent local talent appeared.

The evening was completed with a social reception and cards. Funds were served.

The four years existent in the life of Mayflower camp have been marked by harmony and steady increase in membership. Promotion of social life and extension of charity work have made the lodge a source of benefit to members and the public.

Mrs. H. L. Meyer was the lucky person to whom was awarded the fancy quilt.

Will Ask a Re-election

At the solicitation of a large number of voters Charles H. Morrison, present police magistrate of the village of Barrington, has decided to again be a candidate for that office, and his name will be presented to the caucus to be held April 8th.

Last spring Mr. Morrison was elected to the office by a majority of the popular vote, defeating F. E. Lines, nominee on the so-called People's ticket and H. A. Harnden, nominee on the No License ticket, both prominent citizens of long residence in the community.

The pledge made by Mr. Morrison in that campaign—to conduct the office in the interest of the public and not as an annex to any collection agency—has been carried out, but of course, at the sacrifice of revenue, that class of citizens who start actions in his opposition to their usurious methods of handling claims.

During his inebriety of the office he has been absent from the village but one day. He is a "residue" of the village. His announcement appears in this issue.

Cuba Township Ticket
The electors of Cuba township met in caucus Saturday afternoon at the Lamey building and placed in nomination officers to be voted for at the annual township election called for Tuesday, April 4.

The primary was well attended and the work of constructing a ticket very smoothly carried out.

There was no insinuation of a contest except for the office of collector and that could be called a contest as Conrad Kraus, who was a candidate against Frank Hollister, failed to show the strength expected by those who were responsible for that gentleman entering the field.

The caucus was called to order by F. H. Plague at 2 o'clock. M. T. Lamey was chosen chairman, F. H. Plague and C. H. Morrison secretaries, Geo. J. Hager, Fred Kisselack and Geo. W. Foreman judges.

F. H. Plague was renominated for township clerk, Fred Kisselack for assessor, and Geo. J. Hager for highway commissioner by acclamation.

F. J. Hollister and Conrad Kraus were placed in nomination for collector. The vote resulted:

Hollister..... 102
Kraus..... 102

For this election commissioner E. W. Riley was named by acclamation.

Edson Harnden was renominated for justice of the peace and John Wollaver for constable for the northeast of the township.

Ray Frelitz was named for constable for the southeast section and F. J. Alverson for justice of the peace. Mr. Alverson defeating F. W. Waterman by a vote of 13 to 7.

M. T. Lamey, Conrad Kraus and Fred Kisselack were named a large committee.

VILLAGE ELECTION NEXT

The General Opinion Shows Little Interest and Disposition to Re-elect Present Officials.

The village election will be held Tuesday, April 18. A caucus for the presentation and nomination of candidates will be held Saturday evening, April 14.

The consensus of opinion is that the present officials have given the village a good clean administration and should be returned to carry forward village affairs for another year.

The situation does not call for a reposition to a re-election of the members whose term will expire this spring there is no issue before the voters which would be benefited in the least by making a change.

Last spring the friends of production tested the strength of that sentiment in the community by placing in the field a complete ticket, made up of representative citizens. That ticket met a sweeping defeat, showing plainly that a large majority of the people were opposed to making this village a prohibition district.

It is learned from interviews with a number of citizens that it is a waste of time to endeavor to change public sentiment on the liquor license question in this village at the present time, and to nominate a ticket bearing the "no license" stamp would only result in another defeat.

Therefore the indications are that but one ticket will be asking support and that ticket composed of Miles T. Lamey for president; L. H. Bennett for clerk; Herman Schwenn, Silas Robertson and Frank Giese, or Wm. Peters, for trustees. It will be one person's ticket and one which should receive the support of all classes.

There was not very much excitement, the only opposition being for collector between John Dowe and Vedor Stone, the latter winning out and for highway commissioner district No. 2 between Geo. Baum and Wm. Clark, the former winning, 122 ballots were cast and the ticket nominated is as follows: Town Clerk, Arthur S. Powers; Assessor, Jos. E. Boom the Railroad

A routing railroad meeting was held at Oakland last Saturday afternoon for the purpose of soliciting subscriptions for the proposed electric line from Rockefeller to our village. About \$1000 was subscribed and since then it has been increased to \$5000. Mr. McMullen of Chicago was present and addressed the meeting as well as several local men, and if all will now come forward and subscribe as they should, we can secure the road. It will be a benefit to every one in the village and the community surrounding within a radius of 15 miles and the benefit to be derived by every farmer will be more than the amount of his subscription within a year of its completion and operation. If we get the road, we will have a milk bottling plant, a lumber and coal yard and many other local improvements.

Every acre of land in the community will increase in value from \$10 to \$15 an acre and now while this opportunity is knocking at our door, don't let it slip by. We must have the support of every property holder in the community.
