

State Politics. Things probably promise a pretty fight next year, unless the factions can be harmonized, which now seems impossible.

It is said that the state fair, which is an institution where politicians as well as fast stock and fast horses are in the fore, may develop the plans of the campaign.

The Elgin News says that Governor Deussen, who is supposed to favor the ex-governor, would like to compromise matters but that Yates will have none of that kind of work.

STATE WOMEN'S CLUBS.

Eleventh Annual Convention of the Illinois Federation at Joliet.

Club women throughout the state are looking forward with much interest to the eleventh annual convention of federated clubs which meets at Joliet October 12 to 20.

Among the many subjects which will come up for discussion and upon which the most advanced women thinkers of the state will have something to say:

The proposed affiliation of the state historical society in propaganda work.

The organization of societies for the prevention of the spread of tuber culosis and its prevention in the home.

The carrying forward of the work for the consolidation of the smaller ungraded rural schools and the provision of free transportation for rural pupils.

The extension of manual training in the schools.

The establishment of a state system of traveling libraries.

Government supervision of the conditions of female workers.

The purification of jails and penal institutions and their adequate supervision by local committees.

The local organization in this village will send two delegates, Mrs. H. Purcell and Mrs. Addie Lines.

ORDINANCE No. 11, New Series.

AN ORDINANCE TO ESTABLISH THE GRADE OF HUGH STREET.

Be it ordained by the President and Board of Trustees of the Village of Barrington:

Section 1. That the grade of the center line of Russell street between Spring street and 110th street shall be as follows: From the west line of Spring street to two hundred forty-four and four-tenths (244.4) feet above the datum of the level, the grade shall be at the rate of nine hundred and seventy-six thousandths (0.000976) feet in one hundred (100) feet to the west or to the level of two hundred forty-six (246) feet above the said datum base of level.

Section 2. That any ordinance or parts of ordinances which may have been passed heretofore and which are in conflict with this ordinance are hereby repealed.

Section 3. That this ordinance shall be in force from and after its passage.

Approved this 22nd day of September, A. D. 1905.

Attest: LEWIS H. BENNETT, Village Clerk.

ORDINANCE No. 12, New Series.

For a cement sidewalk on the East side of Grove Avenue in front of Lot 2 and the North 18 feet of Lot 1, Block 22, in the Original Town of the Village of Barrington, counties of Cook and Lake, and State of Illinois.

Be it ordained by the President and Board of Trustees of the Village of Barrington:

Section 1. That a local improvement shall be made within the Village of Barrington, counties of Cook and Lake, State of Illinois, the nature, character, locality and destination of which local improvement is as follows:

That a cement sidewalk five (5) feet in width and six (6) inches high, be constructed on the East side of Grove Avenue in front of Lot 2, and the North 18 feet of Lot 1, Block 22, in the Original Town of Barrington at a line parallel with and one foot from the lot line on the east side of Grove Avenue.

That said sidewalk shall be constructed as follows:

A foundation shall first be prepared by cutting down or filling up the natural surface of the ground to within fourteen (14) inches below the grade. Whenever filling is necessary to bring the foundation to said grade, it shall be done with earth, gravel or other material equally as good for filling purposes, in such a manner as to leave a berme of four inches on each side of and from the top of the concrete walk and shall slope to the natural surface of the ground at the rate of one inch to every eight feet horizontal to one foot vertical.

That said sidewalk shall be constructed by wetting, rolling or ramming until solid and unyielding. Upon this foundation shall be laid a layer of gravel which shall be nine inches in depth after being thoroughly compacted. On the gravel there shall be placed a layer of hydraulic cement concrete four and one-quarter inches

Ayer's Hair Vigor

Sometimes the hair is not properly nourished. It suffers for food, starves. Then it falls out, turns prematurely gray. Ayer's Hair Vigor is a hair food. It feeds, nourishes. The hair stops falling, grows long and heavy, and all dandruff disappears.

for Poor Hair. My hair was coming out terribly. I was almost afraid to comb it. But Ayer's Hair Vigor cured me. I had used it for some time and I was glad to see the hair grow again. I had used it for some time and I was glad to see the hair grow again.

In thickness. The concrete shall consist of one part cement, equal in quantity to the best Portland cement, two and a half parts of turface sand and four parts of broken stone or gravel, all equally as good for concrete purposes, and of which shall be free from loam or other deleterious substances and of which shall not less than one-fourth of an inch nor more than one inch by any dimension. The cement and sand shall be thoroughly mixed dry, after which it shall be moistened with water to form a mortar into which it shall be incorporated by the parts of stone as specified above and the whole mass mixed together and placed in a foundation and rammed until solid. Before the layer last described is set, a layer of finishing coat shall be three-fourths of an inch in thickness; said layer shall be made of two parts cement equal in quality to the best Portland cement and three parts of turpentine and cement and sand shall first be thoroughly mixed dry, then moistened with water and mixed again to form mortar which shall be evenly spread over the surface so as to insure a surface being evenly finished.
