Some complaint has been made, evidently by those not familiar with the facts, in regard to the test system used by the Bowman Dairy Co. for payment of milk.

The price paid for the past five months is above the average on a basis of a 3.65 test, as shown by the following table:

Contract	Amount Paid by Test.
May 1st	3.00
June 1st	3.10
July 1st	3.20
August 1st	3.30
September 1st	3.40
October 1st	3.50

The above shows plainly that a premium has been paid for every month except June.

Number Your Mail Boxes.

The Post-office Department at Washington was soverwhelmed with protests since they issued their order requiring rural free delivery carriers to deliver mail to numbered boxes on their route, that the order was amended, and as order now stands rural patrons are to complete the task of numbering their boxes, but in order to have delivered made the mail must bear the name of the party for whom it is intended, whether the number of the boxes are on the envelope or package or not. The protest was made on account of the advantage given the big city mail order houses in that they would simply have to address their catalogues and advertising matter to Box 1, P. O. No. 1, or 2 or 3, to have it delivered, thereby injuring the local retail merchants who only supply high-class goods, while as a rule the merchandise sent out by the mail order houses is of a very inferior quality.

Don't Borrow Trouble. It is a bad habit to borrow anything, but the worst thing you can possibly borrow, a trouble. When sick, sore, hungry, weary and worried by the pains and poisons of dyspepsia, biliousness, indigestion, and similar ailments, do not try to get rid of them by the use of laxatives, but get relief by the use of Electric Bitters. Here you will find safe and permanent relief of all your troubles, and your body will not be burdened by a load of debt disease. At Barrington Pharmacy. Price 50c. Guaranteed.

Card of Thanks. Mr. and Mrs. George Stephenoer desire THE REVIEW to convey their heartfelt thanks to their many friends and neighbors who so kindly assisted and sympathized with them in their recent affliction in losing their beloved daughter, Ethel.

Sealed Bids. Bids will be received by the undersigned until Wednesday, 11th day of Oct., 7:30 p. m. for the position of janitor for the new school building. Rules governing the same may be seen at the office of the president of the board of education or the secretary.
