Barred From the Hall of Fame.

The committee proposed to put eminent Americans into the Hall of Fame seems to be especially busy in keeping famous persons out of it.

Barred From the Hall of Fame.

I was found to lack eight wise men in the committee who would recite certain phases of his life and declare that the phenomenal fame his works have won for him the world over is authentic.

International Live Stock Exposition, Dec. 2 to 9, 1905.

Prof. Jas. W. Wilson, of the South Dakota Agricultural College, says: "The International Live Stock Exposition held annually in Chicago is probably the greatest institution of its kind in the world."

Impoverished Soil

Impoverished soil, like impoverished blood, needs a proper fertilizer. A chemist by analyzing the soil can tell you what fertilizer to use for different products.

If your blood is impoverished your doctor will tell you what you need to fertilize it and give it the rich, red corpuscles that are lacking in it.

There is no fat food that is so easily digested and assimilated as...

Scott's Emulsion of Cod Liver Oil

It will nourish and strengthen the body when milk and cream fail to do it. Scott's Emulsion is always the same; always palatable and always beneficial.

The death of Sir Henry Irving reminds almost the last link between the modern and the classic days of the English speaking stage.

We will send you a sample free. Be sure that this picture in the form of label is on the wrapper of every bottle of Emulsion you buy.

Not long ago a certain clergyman from the west was called to a church in Jersey City. Soon after his arrival the divine's wife made the usual visit to the members of the parish.

Well, I wouldn't say that he never went was the reply. "Occasionally I will go to the Unitarian, now and then to the Methodist, and I have known him to attend the Catholic church."

A look of perplexity came to the face of the visitor. "Perhaps your husband is an agnostic," suggested she.

"Not at all," hastily answered the other; "he's a plumber. When there is nothing for him to do at one church there is very likely something for him at one of the others."

Where the Sea Disappears.

A girl who was recently overtaken and drowned by the incoming tide on the west coast of France. A transplanted Breton said of this fatality:

"Can you, who see your own tides crawl in at the rate of ten feet or so an hour, imagine tides racing like wild white horses up the flat sands at the rate of half a mile a minute?"

"I Thank the Lord!" cried Hannah Plant, of Little Rock, Ark. "For the relief I got from Beckley's Anker Salve."

As soon as the Frisco Telephone company installed a Japanese "hello" in the central there came a scurrying among white patrons of the line for yellow cross words to suit the emergency.

Viadroitok is now saying, "It's an ill wind that blows nobody good." With Port Arthur out of it, Viadroitok is the only Russian port in the far east not having a genuine business boom.
