

HOSPITALS CROWDED

MAJORITY OF PATIENTS WOMEN

Mrs. Pinkham's Active Service Many From This Aid and Cordy Experience—

It is a sad but true fact that every year brings an increase in the number of operations performed upon women in our hospitals. More than three-fourths of the patients lying in the beds are women and some are awaiting or recovering from operations made necessary by neglect.

Every one of these patients had plenty of warning in that bearing down feeling, pain at the left or right of the womb, nervous exhaustion, pain in the small of the back, leucorrhoea, dizziness, flatulency, displacement of the womb or irregularity. All of these symptoms are indications of an unhealthy condition of the ovaries or womb, and if not treated promptly will make headway until the penalty has to be paid by a dangerous operation, and a lifetime of suffering and weakness as a result.

The following letter should bring hope to suffering women. Miss Letitia Adams, of the Colonade Hotel, Seattle, Wash., writes:

"About two years ago I was a great sufferer from a severe female trouble, pains and headaches. The doctor prescribed for me and finally told me that I had a tumor on the womb and must undergo an operation. I wanted to get well. I felt that this was my last chance. I spent months in the hospital for medical help. The tumor kept growing. Fortunately I corresponded with the doctor and he advised me to take Lydia E. Pinkham's Vegetable Compound, and I cured myself. I did so and immediately began to improve in health, and I was entirely cured, the tumor disappearing without an operation. I wish every suffering woman would try this great medicine."

Just as surely as Miss Adams was cured of the troubles enumerated in her letter, just so surely will Lydia E. Pinkham's Vegetable Compound cure every woman in the land who suffers from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability and nervous prostration.

Mrs. Pinkham invites all young women who are ill to write her for free advice. Address, Lynn, Mass.

BADGER SOLONS TO MEET DEC. 4

Gov. La Follette Issues Call for Extra Session of the Legislature.

TO CONSIDER RAILROAD RATES

Long Conference Precedes Official Proclamation by the Executive to Lawmakers of Wisconsin to Transact Business of the State.

Madison, Wis., dispatch: Gov. La Follette has issued a call for an extra session of the legislature to meet Dec. 4 to consider the senatorship, the question of rebuilding the state capital and railroad rates.

Gov. La Follette plans also, it is said, to force the legislature to a show-down on the senatorship. He will, it is believed, line up the legislators for and against the governor.

If the legislature refuses to stand for the Superior man, then La Follette will decline the senatorship and finish out this term as governor, and seek a reelection as governor next fall, for a fourth term.

In this event he may try to secure the election of Lenroot as senator. Another possibility is that the governor would revert to former Congressman Stephenson, who, it is believed, was promised the senatorship, but was defeated by the unanimous call to La Follette. W. D. Connor, who has been planning a campaign for governor, and is now chairman of the state Republican committee, is the third senatorial possibility.

The bill passed by the last legislature to provide for the rebuilding of the capitol was defective.

Another possibility is that the call is to take action on the insurance troubles, as Wisconsin might well be expected to pass stringent laws on this question, opposed as it has been during a Pollette administration to public service corporations.

The call was only issued after La Follette, Secretary of State Houser, Attorney Herbert Chynoweth and other political leaders had been in session all day Tuesday and until after midnight Wednesday morning.

Text of Governor's Message

The Governor's message is as follows:

"I, Robert M. La Follette, governor of the state of Wisconsin, under and by virtue of section 4 of article 43, Chapter 12 of the Statutes, which provides that the governor shall have power to convene the legislature on extraordinary occasions, do issue this my proclamation, to convene the legislature of said state at the seat of government at Madison on the 4th day of December, A. D. 1905, at 3 o'clock in the afternoon of that day, to consider and act upon the subject of legislative procedure."

"1. To amend chapter 516 of the laws of 1905, relating to additions to and repairs upon the state capitol.

"2. To amend chapter 462 of the laws of 1905, entitled 'An act to regulate railroads and other common carriers in this state, create a board of railroad commissioners, fix their salaries, define their duties and prevent the imposition of unreasonable rates, prevent unjust discrimination, insure an adequate railway service, prescribe the mode of receiving the order of the evidence in relation thereto, prescribe penalties for violations, and making an appropriation therefor.'

"3. To enact by amendment or otherwise more strict laws relating to taxes and license fees of railroad companies, and to provide remedies for the collection thereof.

"4. To amend the laws providing for party nominations by direct vote.

"5. To provide a form of ballot for use at election.

"6. To amend chapter 451 of the laws of 1905 relating to highways in dams.

"7. To amend chapter 1319 of the statutes of 1893, as amended, relating to county aid in building or repairing bridges.

"8. To amend the act forming a grain inspection commission passed by the last legislature.

"9. To provide funds temporarily for the university.

"10. To investigate the expenditure of insurance companies, railroad and other public utility corporations doing business in this state and enact laws in reference thereto."

The call ends with a clause concerning the governorship.

WASTED TO A SHADOW.

But Found a Cure After Fifteen Years of Suffering.

A. H. Stotts, messenger at the State Capitol, Columbus, O., says:

"For fifteen years I had kidney troubles, and though I doctored faithfully, could not find a cure. I had heavy backaches, dizzy headaches, and terrible urinary disorders. One day I collapsed, fell insensible on the sidewalk, and then wanted away in bed for ten weeks. After being given up, I began using Doan's Kidney Pills. In a couple of months I regained my old health, and now weigh 153 pounds. Twelve boxes I had, and I have been well two years."

Effect of the Auto Craze

Just how badly some men have the automobile habit was shown on Broadway the other night by a man and woman who were spinning down that thoroughfare in a little open touring car. The man, who was driving the car, was in formal evening dress, a crush hat on his head, and white tie and waistcoat showing under his long gray top coat. The woman by his side wore a heavy white veil over her hair and her gown was covered with a big cloak. Seated by her side at her feet on the step was the chauffeur, whose duties, so far as that man was concerned, were purely ornamental.—New York Times.

What would Christmas be without the traditional dinner with the good fashioned plum pudding and the numerous other reasonable things that thoroughfare in a little open touring car. The man, who was driving the car, was in formal evening dress, a crush hat on his head, and white tie and waistcoat showing under his long gray top coat. The woman by his side wore a heavy white veil over her hair and her gown was covered with a big cloak. Every housekeeper should know that if they will buy Defiance Cold Water Starch for laundry they will save not only time, because never sticks to the iron, but because each package contains 16 one-pound tins of other Cold Water Starches are put up in 4-pound packages, and the price is the same, 10 cents. Then again because Defiance Starch is free from all injurious chemicals. If your grocer tries to sell you a 12-oz. package it is because he has a stock on hand which he wishes to dispose of before it expires. He knows that Defiance Starch has printed on every package in large letters and figures "16 ozs." Demand Defiance and get each tin at the seat of government at Madison on the 4th day of December, A. D. 1905, at 3 o'clock in the afternoon of that day, to consider and act upon the subject of legislative procedure.
