A stereopticon lecture on the "Passion Play of Oberammergau," will be given in St. Ann's church December 27th, by Rev. E. J. Fox. Tickets are only 25 cents, and it certainly is an entertainment that will be worth more, in an educational sense, than ten times the admission price. Attend.

The Wauconda Mining Company, in which many Lake county people own stock, is announced today planning to erect a 50 ton crane mill shortly at its mine in the Black Hills.—Waukegan Sun.  
The Ladies' Cadet band furnished music for the occasion of the opening of the Wheeling bridge, which took place Saturday a week ago. According to our exchanges they made a big hit. Our people should encourage them by attending the play to be given by them on New Year's evening.  
Mr. and Mrs. Ed. Thies entertained a party of relatives and friends on Thanksgiving day. Covers were laid for twenty, and the afternoon was spent in enjoying music, social games, etc. Among those from out of town were: Mr. and Mrs. John Metcalf, Mr. and Mrs. Phillip Kraumenauer and children; Carl and Elmer Wagner, O. Kraumenauer, all of Chicago. The guests returned home Thursday evening.  
After Rev. W. H. Pierce lectured in Hinckley the following article appeared in the paper.—"Our lecture under the auspices of the Sugar Grove Normal and Industrial School by Mr. W. H. Pierce on the subject, "Be a Man like your Mother was," was most truly successful. It seldom happens that we hear a lecturer combine wit, fun and drollery with the sublime and beautiful in such a way as to please, entertain and instruct all at once, and at the same time impart the true desire in each hearer to be more of a man or woman."—Hinckley Review. This lecture will be given in the Methodist church next Monday evening by Rev. W. H. Pierce. Everybody is most cordially invited.

Passion Play of Oberammergau, will be given in St. Ann's church December 27th, by Rev. E. J. Fox. Tickets are only 25 cents, and it certainly is an entertainment that will be worth more, in an educational sense, than ten times the admission price. Attend.

There will be quarterly meeting services at the Salem Evangelical church beginning Friday evening, Rev. J. G. Fidler, the presiding elder, will be present and have charge of the services. Communion services on Sunday morning. On Sunday evening Rev. J. G. Fidler will preach in the English language. For the past year all Sunday evening services have been conducted in English.  
The meanest fraud that has ever been heard of is a man who has been operating in neighboring counties. His game is a dental one, no accident. He goes to a farm house and extracts teeth without cost when a new set is to go in. He calls again in a few days and gets half the pay for a new set of teeth, and falls to pay again, leaving the victim minus teeth and cash. There is waiting and weeping, but owing to circumstances, no gnashing of teeth. There is, however, a terrible chewing of gums.  
Fire destroyed the Long Lake hotel last Friday morning, together with a large barn in which was stored a winter's supply of hay, corn and oats. The proprietors of the place, Edward Graham and his sister, Anna, and a Chicago traveling salesman narrowly escaped being burned. The hotel was one of the popular summer resorts of western Lake county, and accommodated a large number of guests. The total loss is estimated at \$20,000.  
A young man fond of dancing recently took a pedometer with him to a ball and found that in the course of the evening he had covered thirteen and a half miles. The average length of a waltz was half a mile, of a polka three-quarters of a mile, of a gallop or schottische a mile, and of lancers a quarter of a mile. A girl usually dances more than a man, and is calculated to cover more than sixteen miles in a single evening. Just think what would happen if the average girl were compelled to cover that much territory in one day when engaged in some useful household duty. Wouldn't her limbs ache.—Grayslake Times.

He Was Pleased  
One of the most enthusiastic meetings of the Y. M. C. A. ever held in a small town, we believe, will be the verdict of all who attended the meeting at Salem church last Sunday evening. The church was fairly filled and at the hour of 7:30 p. m. a short song service was held under the proficient leadership of Frank Plazge. The meeting was address by able young men, who are actively engaged in the work of the Association at Elgin and Woodstock, the principal speaker of the evening being Rev. Webb of Chicago. We must not forget our home representative, Dr. G. A. Lytle, who addressed the audience on the need of the Y. M. C. A. here, and in response to the clear, business like manner, in which the "Investment" policy was handled the officers of our little home organization were enriched by a princely sum. At the close of the meeting proper, there was a men's meeting at which in fitting prayer, and thanksgiving, the blessing of an Almighty was asked to follow this work. "I am not a member, but shout Amen."  
A THAUSIEK.

Pasonic Fraternity Sends Silver Trowel on Long Journey.  
To spread the cement of brotherly love and affection among the Masons, a silver trowel, after being dedicated and consecrated in the Masonic Temple of New York with elaborate ceremony in the presence of many of the most distinguished men of the craft, has been started on a long journey. Before the trowel returns to the New York lodge it will have been in every Masonic lodge in the United States. Its travels, which will be recorded in a magnificently bound volume which accompanies it, may consume ten years. On its return it will be placed with the record of its travels, in the archives of the grand lodge of the state of New York.
