Immigration to America is Showing Effects of Detrioration. BEST ELEMENT STAYS AT HOME

Russia, Austria-Hungary and Italy Replace the More Desirable People Who Came From Northern Europe With Those Who Are a Menace.

Washington special: Nearly all the better class of immigrants from Europe have already come to the United States, says Commissioner Sargent in presenting the annual report of the bureau of immigration.

European Turkey may be depended upon to furnish more than its quota of future immigrants, says the commissioner, as its population is rapidly growing and has a surplus.

The magnitude and gravity of the problem created by the growth of the alien population in this country is commensurate with the best thought of the country.

Of the increased arrivals referred to Austria-Hungary sent 98,337 over its quota of 190,000; Russia, 22,755; Italy, 28,183, and the United Kingdom, 18,544.
