'NEWS' TRUST REACHES OUT.

Proposed Law Threatens Interests of Newspapers of the State.

In the interests of the trust which controls the sources of the supply of news throughout the country, Representative Samuel Erickson has introduced a bill ostensibly to make "news" property, but really aimed at the smaller newspapers of the state. The text of the measure is as follows:

"Section 1. Be it enacted by the people of the state of Illinois, that any person, firm, company or corporation who by labor or expense has acquired, gathered or compiled news, or information of any kind, shall be deemed to have acquired such news or information as property, and shall be entitled to the same as to other property."

"Sec. 2. It shall be unlawful for any person, firm, company or corporation to appropriate, publish or disseminate in such news or information so acquired or to use the same for republication without the consent of the owner or his authorized agent."

Washington special. With a handful of Republicans, aided by the Democrats, Mr. Burton of Ohio gained complete control of the house and introduced an amendment to the civil bill requiring the use of granite in the construction of the public building at Cleveland.

Peasants Apple Trees. Having taken a dislike to his daughter and her husband, Louis Rung, of Basle, Switzerland, poisoned 500 apple trees in the orchard with arsenic.

Universal Language Encouraged. In France the government is encouraging the study of the universal language, Esperanto, and has authorized the officers of the active army to join a society which has been founded for its propagation.

IT IS IN THE BLOOD

Neither Liniments nor Ointments Will Reach Rheumatism—How Mr. Stephenson Was Cured.

People with inflamed and aching joints, or painful muscles; people who suffer with the pain of a cancer, a crutch and cry, Oh I at every slight jar, are constantly asking, "What is the best thing for rheumatism?"

Mr. Stephenson's experience with this obstinate and distressing affliction is that of hundreds. He says: "About a year ago I was attacked by severe rheumatic pains in my left shoulder. The pain was so severe that I was unable to do any work."

"I had heard Dr. Williams' Pink Pills for Pale People recommended as a cure for rheumatism, and when I found I was getting no relief from applications, I made up my mind that I would try them. Before the first box was gone I noticed that the pain was lessening."

"The change in treatment proved by almost immediate results that Dr. Williams' Pink Pills were the remedy. They effect genuine and lasting cures in rheumatism. They do not merely soothe the pain, they expel the poison from the blood. These pills are sold by all druggists."
