

THE REVIEW

Second-Class Matter

M. T. LANEY, Editor and Publisher.

FRIDAY, JAN. 18, 1906.

STATE EXECUTIVE'S MESSAGE TO LEGISLATURE.

Governor Deneen reports to General Assembly on condition of State Institutions.

THE FINANCIAL SHOWING

A Cash Balance of \$4,342,750.20 of the General Revenue Fund in the Treasury.

Springfield, Jan. 9.—The following is the text of Gov. Deneen's biennial message to the forty-fifth general assembly...

Resources, estimated to July 1, 1907, \$10,000,000.00. DEDUCT LIABILITIES: Withdrawn appropriations, \$1,500,000.00...

Net balance, July 1, 1907, \$4,342,750.20. On July 1, 1906, the net balance in the general revenue fund was \$3,800,000.00...

The Tax Rate. On account of the increase in the receipts of the state treasury during 1905, the tax rate for that year was reduced from one-fifth to one-fifth and one-tenth...

In addition to the cash balance in the state treasury, the following are found in the various institutions and departments...

Table listing various institutions and their cash balances, including Board of Examiners, Board of Education, State Board of Health, etc.

Table listing various institutions and their cash balances, including Northern Illinois state normal school, Western Illinois state normal school, etc.

On February 1, 1906, the eastern hospital for the insane turned over to the state treasury \$30,000 of its original fund...

Interest on Public Funds. Hon. John C. Deneen, state treasurer, requests that an appropriation be made to meet the expense of securing his office...

Revenue Commission. A number of states have recently revised their revenue laws, others have amended them...

CHARITABLE INSTITUTIONS. Homes of the State. Because of the great public interest in the care of charitable institutions...

Civil Service. Under the new civil service law, a very important step has been taken...

As the number of insane in Illinois is increasing at the rate of 217 per annum, it is necessary to make room for the best care...

Mechanical restraint has been abolished entirely at two hospitals for the insane, and has been reduced at others...

As the number of insane in Illinois is increasing at the rate of 217 per annum, it is necessary to make room for the best care...

The State Psychopathic Institute, by means of which the state physicians attend all the state, will aid in the detection of the first warning symptoms...

Under the direction of an excellent state board of public charities a modern scheme for the education of the blind and nursing has been put into operation...

Under the direction of an excellent state board of public charities a modern scheme for the education of the blind and nursing has been put into operation...

acute mental cases and for the physical sick inmates for whom the insane patients who are confined in the hospitals for recreation and provisions for recreation and amusement are provided...

The scheme of medical administration includes a state psychopathic institute, a state hospital for the insane, and a state hospital for the blind...

There are two broad general classes of the chronic insane: the acute hopeful and the chronic hopeless...

Industrial re-education is possible for the majority of all cases of insanity, and it is the duty of the state to provide for it...

The medical value of such work is that it gives employment to otherwise idle people, and it gives them a sense of purpose and dignity...

Compulsory training schools for attendants and nurses have been established in the state, and these are essential parts of the institution...

Visitation of Children. Acting under the provisions of the act of October 1, 1905, the state board of charities has appointed a committee...

Cottages for Soldiers and Their Wives. The Grand Army of the Republic, department of Illinois, has requested that the state board of charities...

There are in Illinois 5,000 blind persons in state institutions. I recommend an appropriation of \$200,000 to buy cast iron type for these unfortunate...
