Meth Harter of Arlington Heights was here on business Tuesday.

Mrs. E. Erickson of Chicago visited her mother, Mrs. J. Cling Sunday.

A number of F. J. Hollister's friends assisted him in sawing wood Monday.

The ladies of the Friday card club meet last week with Mrs. Henry Dunlop.

Joe Robertson left Friday for Urbana where he will attend the State University.

Miss Virginia Purcell has returned to the Metropolitan college after a seven week's vacation.

John Forbes and family visited with Thomas Dally and family near Cary yesterday and today.

George M. Jackson who lives towards Dundee went to the Chicago auto motor show Thursday.

Edward and Roy Meister visited at Nunda lately with their grandpa, Mr. John Kasten, who is quite ill.

Wednesday morning was the coldest of this winter, the thermometer registering from 12 to 14 degrees below zero.

Ed. Thies has been at the Chicago Automobile Show all the week demonstrating the Dayton automobile for which he is agent.

The many friends of Miss Laura Niemeyer will be glad to learn that she is able to be out once more upon an illness of about four months.

Miss Anne John, daughter of Aug. John, went to Cook county hospital, Thursday morning to undergo an operation for appendicitis.

The streets were gay Wednesday afternoon with flying cutters. Good sleighing and milder temperature brought the people out.

Edward Plagge was appointed night-watcher at a meeting of the board of trustees Monday evening to succeed Ray Frabitz who is ill.

M. R. Miller, city engineer of Waukegan is able to be about after a severe illness. Mrs. Miller was Jennie Comstock, of Barrington.

A man who arrives in Barrington regularly once a month said Thursday "This is the worst town for clubs, the women think of nothing else."

The Porcia club were guests of Miss Cora Jahnke Thursday evening and laughed over a "Humorous" evening with tales and quotations funny.

The commissioners of highways of Cuba township were in session Tuesday morning at the office of Town Clerk Frank H. Plagge for the purpose of auditing bills.

A movement has begun in Kenosha to secure a pardon for Frank S. Komp, a former banker there, who is serving a term in state's prison. The county officials do not seem particularly interested in securing his release, and it is not probable that any of them will sign a petition to the board of pardons. Komp is the man who started a bank at Watonska, Lake county, about the time he started the one in Kenosha.

The Milk Shippers Union will hold its eleventh annual meeting for the election of president, vice-president, secretary and treasurer on Monday, Feb. 25, 11 o'clock a. m. at the Briggs House, Randolph st. and Fifth ave., Chicago. Local unions will meet on Monday, Feb. 19th to elect one director from each line of rail-road and one from each local union.

"A poor wind that won't blow somebody some good." An omission of a word in the Reviewer last week has resulted in an offer at a salary of \$25 a week to F. O. Willmarth to sing in a Chicago church. The paper omitted the prefix "Mrs." and stated that "F. O. Willmarth" sang beautifully on a certain occasion. A good discovery.

The twelve members of the "Sunshine" class of the Baptist Sunday school were given a party last night by their teacher, Mrs. John Colleen of Lake street. The girls had a very nice evening with music and games and "goodies."

Henry Plagge has sold his farm of 30 acres situated three and one half miles south-east of Barrington in the town of Palatine to Wm. Meyer for \$72.50 per acre. Mr. Plagge may locate in this village.

The HOLSMAN Automobile

PERFECT in CONSTRUCTION, CHEAP in PRICE and COST of OPERATING

When you see the HOLSMAN machine it will make you its friend at once for these reasons:

1. Solid tires, admitting of no punctures.
2. Air cooled. No water to contend with, or broken jackets which occur in frosty weather.
3. No live axles.
4. No transmission gears.
5. No drive gears.
6. No speed gears, in fact, not any gears to contend with. No clutches. The machine rides as easy as the best made carriage and is controlled by two simple hand levers. It is started, guided, stopped, secured, reversed and fully controlled by these two simple levers.

Should you have a breakdown, repairs are quickly secured. However, the chance of a breakdown are slim in a Holzman.
