Testimony of Affavit.

New York.—After a forencon session occupied almost entirely by District Attornsy Jerome in a bitter de nucleation of the defendant and for the marker of Stanford White was adjourned shortly after 12 oclock Wednesday until Thurday morning. The prosecuting attorney found his opportunity to attack Thaw and Evelyn Nesbit in arguing on the question of the admissibility of the testimony of Abraham Hummel.

It was to enable Delphin M. Delmas, leading counsel for the defense, two consult authorities and frame a reply-to-Mr. Jerome, and also to allow the latter an opportunity of completing the hypothetical question which he is to put to his experts that the early adjournment was ordered. Chi.

The district attorney asserted that Hummel would swear Evelyn Nesbit told him three days after her return from Europe in 1903 that This had beaten her cruelly because she would not sign papers he had prepared falsely accusing Stanford White of having drugged and betrayed her.
