Wine of Cardui Cured Her.
213 South Prior Street, ATLANTA, GA., March 21, 1923.
I suffered for four months with extreme nervousness and lassitude. I had a sinking feeling in my stomach which no medicine seemed to relieve, and losing my appetite I became weak and lost my vitality. In three weeks I lost fourteen pounds of flesh and felt that I must look speedily relief to regain my health. Having heard of Wine of Cardui I purchased a bottle and my friends, I sent for a bottle and was certainly very pleased with the result. Within three days my appetite returned and my stomach troubled me no more. I could digest my food without difficulty and the nervousness gradually diminished. Nature performed her function without difficulty and I am once more a happy and well woman.
