They were parents of nine children, three of whom survive and are Mrs. George Ott of Diamond Lake, Mrs. William Lintman of Gresham, Neb., and William Buesching. Mrs. Buesching was well known all around as "Grandma Buesching" and will be missed by a circle of friends she had made. She was a member of the Woman's society of the St. Peter's church, Lake Zurich, and one of its first members. Wint Searles Dead.

Winthrop Searles was found dead late last week at Lake Zurich back of John Robertson's ice house. The circumstances of his death were not determined but Dr. Taylor, the county coroner, decided that death resulted from natural causes and exposure, and that he had undoubtedly died several days before found.

Mr. Searles was the oldest son of G. W. and Betsey Searles who were old residents of Lake county. He was born at Lake Zurich about fifty years ago and has always lived in this part of the country. For many years past the Searles home was on Hough street, Barrington, until about two years ago the mother and son, George, went to Peoria to live with the only daughter, formerly Miss Searles, and the three sons Winthrop, Frank and William remained in this vicinity.

Mr. Searles was never married and most of his life had done farm work. He was perfectly honest and he is said to his credit that he never harmed anybody.

Burial was in the cemetery at Fairfield.
