Barrington Local Happenings Told in Short Paragraphs

Work has started on the new cottage of Harry Erick on Garfield street. Mrs. L. B. Erverson of Milwaukee is visiting her mother, Mrs. Dawson. Miss Flora King of Elgin is visiting with her cousin, Miss Florence Collins, this week.

Mr. and Mrs. S. Jacobson and children, Mima and Martin, spent Sunday at Lincoln Park. It has been reported that small-pox is increasing in Illinois. Have you been vaccinated?

L. A. Hieley and family of Ravenswood are visiting at the Freeman and Kirschner homes.

Mrs. John Sizer and Mrs. Smith of Chicago have been spending the week at the home of Mrs. A. Sizer.

Mr. and Mrs. Joe Blackman, son and daughter of West Chicago, visited Mrs. Hannah Powers, Tuesday.

Mrs. Fred Benson of Ocean Springs, Mississippi, and son, are visiting her mother, Mrs. Fred Wiseman.

W. H. Snyder and family with Fred Snyder and family of Chicago went to Michigan City Tuesday by boat.

William Walterscheid and Miss A. Bauer of Chicago visited friends here Tuesday. Mr. Walterscheid was a former resident here.

Guests at the home of Herman Garbisch from Tuesday to Friday were his sister, Miss Amelia Garbisch and his nephew, Clarence Baumgarten, of Milwaukee.

After beating a "kid" team rather badly last Saturday, the V. M. C. A. team will try a stronger team from Oak Park tomorrow. Everybody turn out and see the game.

Prof. and Mrs. J. I. Sears returned Wednesday from New York city and North Dakota, where they have been since June. Walter Sears returned from Dakota with them.

A huge traction engine for the farm land west of town, recently purchased by a Mr. Oels of Chicago, has stood in the business district two days and attracted much attention.

Mr. and Mrs. H. G. Sawyer, and son Howard, of Carpentersville, Mrs. B. Kellogg, of Toronto, Canada, and Mr. Sandy of Iowa, visited with Mrs. Hannah Powers and Mrs. Addie Lines, Sunday.

The Merry Go Round has profited by a recent decision of the Village board waiving the usual license fee for amusements. The license committee hold they are not required to pay a license fee.

Orellie Terry, Joe Robertson and Richard Wehardt accompanied by Mrs. R. Purcell and daughters, Hazel and Virginia, and Lizzie Geddis, visited Michigan points the fore part of the week.

For SALE—Copying press at a bargain. THE REVIEW.

The repairs in the Methodist church have been completed and their will be the regular service Sunday morning and Sunday school. There will be no evening service because of the union service at the camp grounds.

Miss Virginia Purcell gave a cinch party Thursday evening to young men and girl friends. Three tables were in the game. Prizes were won by Miss Lillian Volker, Miss Robin of Chicago, Arthur Taylor and Barle Powers.

Elmer Hartz, the young son of Chris Hartz who just beyond the west limits of town, fell from a horse in a field last Friday afternoon and fractured his shoulder blade. The accident is so painful but the boy is getting on without serious results.

It is very amusing to hear the remarks made around town about what should be published in the paper and what should not. Generally the one who complains is someone whose subscription bill is large. Ever notice the upper left hand corner of the front page where it says, "1.50 a year in advance?"

An Eulogy.

The graduating class of last June are shocked and grieved beyond expression in words, to hear of the sudden death of one of our number, Elmer Peckham. During his four years high school course, he took part in plays in which he showed great skill and ability. In spite of poor health and hard work on the farm his perseverance won him a good, substantial education. Before the two years were added to our high school he was graduated from the two years course and after a year entered the third year and continued until the close of the fourth year.

He carried the second base in our high school quartette. He was, also, a student president of our alumni. As a student he always labored conscientiously to get from his lessons all that could be derived, as well as making an effort to do what was right, both to his teachers and schoolmates. His class might be delivered the class oration which he wrote. This oration was characteristic of Elmer. It was as full of beautiful thoughts which showed deep thinking and reasoning.

We feel that it is indeed a loss to the whole world to lose such a noble young man. No one was ever heard to say anything against his character. In every detail of daily life he carefully weighed the right and the wrong and invariably chose the right. Although it is hard to have Elmer go, the knowledge that he was such an exemplary person ought to be, and is a great source of comfort to those who mourn.

CLASS OF 1907.

"Regular as the Sun" is an expression as old as the race. No doubt the rising and setting of the sun is the most regular performance in the universe, unless it is the action of the liver and bowels when regulated with Dr. King's New Life Pills. Guaranteed by the Barrington Pharmacy, 25c.
