## BIG CHURCH WEDDING

Miss Nora Plagge and William Sott Were Married Wednesday Evening.

Miss Nora Plagge was married Wednesday evening to William Sott in the Salem church at half past seven. The church was completely filled with the large number of people who gathered to witness the marriage of these two popular and admiring young people. Miss Plagge is the second daughter of Mr. and Mrs. John C. Plagge and is about twenty-one years old; Mr. Sott is the second son of Mrs. Hannah Sott and is twenty-four years of age.

The ceremony was read by the Rev. A. Haefele, the pastor of the church. The bridal couple was attended by Miss Lydia Sott, sister of the groom, and Herbert Plagge, brother of the bride. The wedding party entered the church with Mr. Haefele leading, followed by Mr. Sott and Mr. Plagge; Miss Sott preceded the bride, dressed in white and carrying pink roses; Miss Plagge wore a white gown of white mousseline and carried a bride's bouquet of white roses. Miss Selma Torgler played the ever beautiful Lohengrin's wedding march during the entrance and the strains of "Home, Sweet Home" significantly sounded during the marriage which took place under an arch of white flowers, evergreen and crepe paper arrangement; the entire church was trimmed in streamers and fringed crepe paper of green and white.

To the melody of Mendelssohn's wedding march the newly married ones left the church and with invited friends assembled at the residence of the bride's parents on Cook street where a reception was held, nearly one hundred attending. The home was decorated in the fall field flowers, foliage and sunnich, while the dining room, where a fine supper was served, was done in white carnations and similar. The reception was also the occasion of the christening of the infant daughter of Dr. and Mrs. Albert Geiske, Mildred Luella Geiske. Mrs. Geiske is a sister of the new Mrs. William Sott.

Both of these young people are unusually well known in Barrington for many reasons. They are members of prominent families of the town, were born and raised here and finished the school advantages here. They have been associated actively in all the religious and social work of the Salem church of which they are members, and have mingled in the social affairs of the town. Mrs. Sott is a musician, being a member of the Girls' Cornet Band and until recently a singer in the church choir; she is a teacher of a class of boys in the Sunday school. Since leaving school in 1902 she has assisted at her father's store and no young woman ever has been more generally liked than Nora Plagge for her happy, sweet manner, her pretty face and her many good qualities and abilities. Mr. Sott has always been a boy and young man of worthy characteristics, with an earnest interest in good principles. Since the organization of the Y. M. C. A. here he has given much time to the promotion of athletic association. His interest in athletic sports is keen, and he has been a steady player in the Y. M. C. A. ball team and the Olympic Tennis club. He is employed by the Dental Protective Supply company, Chicago.

Mr. and Mrs. Sott began housekeeping at once in their beautiful home on Main street, known as the Dr. Lytle house which Mr. Sott purchased this summer. The house had been previously arranged for them and few couples start married life with the many points of advantage that surround them. The Barrington Cornet Band in uniform serenaded them during the reception and about midnight when Mr. and Mrs. Sott were preparing to leave Mr. Plagge's for their own home, friends seized them and forced them to sit in an old cart attached to a large wagon which was fitted with jolting people. Someone on horse back led the procession and after a trip around town, landed the new couple keepers at "Home, Sweet Home" which it is destined to be.

William Franklin Hall was born in Wayne county, Michigan, September 25, 1858. At the age of eight years he came to Illinois with his parents who settled on the Hall farm near Honey lake. He lived in this vicinity until the age of thirty, when he made his home in Gilmers, Lake County, where he married Miss Saule Spelt, November 21, 1898. Two children were born of this union, Misses Mabel and Grace.

April 2nd, 1905, his wife was taken from him by the dreaded disease, consumption.

He lived with his daughters on his farm until the next March, when he moved back to his old home. His health was broken, but he kept around until about thirteen weeks before he died. After four weeks sickness at home the doctor decided that an operation was necessary. He was taken to Argutana Hospital, Chicago, July 2nd, where he remained until his death, September 4th, 1907, at the age of forty-nine years, having died within a few hours of his birthday, Wednesday evening, at 9:30 o'clock. While at the hospital he won the good will of doctors and nurses by his cheerful hopefulness through all his suffering. He leaves a mother, two sisters and two daughters to mourn his loss.

Mr. Hall was a man respected by all friends and business acquaintances for an honest, good, industrious fellow whose many efforts to help others were beyond his strength. At one time he was a candidate for Sheriff of Lake county.

### Economical Facts.

Any man who is living today without a telephone in his home, at a cost of a few cents per day, is refusing to recognize the fact that it saves his cost and he has rates for all purposes. Chicago Telephone Company?

## Mr. William Dollar, Good Citizen.

In a certain western town lives a gentleman whose name is William Dollar. They call him Dollar Bill when they get funny. But Mr. Dollar is a dignified, enterprising, good citizen.

Not every Dollar Bill is a good citizen. Many of them are prone to ignore the claims of their own community and run away to a big city to be spent. Many millions of Dollar Bills have left the smaller towns for the overgrown cities this present year of our Lord.

How many Dollar Bills have gone out of THIS TOWN — 1 of them home and gone to some big city, never to return! Every time a Dollar Bill leaves town it takes a two-cent stamp with it, for it goes to a Mail Order Store. That helps the postmaster a little, but it doesn't help the local merchant. It means just so much less trade for him.

Which means just so much less cash circulating in this community.  
Which means just so much more social and business stagnation.  
Which means the stunting of the town's growth just to that extent.

If you could figure up the Dollar Bills that leave town in this secret manner, like taking French leave—which you can't—you would know just how much the town is stunted by indulgence in this mail order stunt.

If these Dollar Bills were really good and enterprising citizens they would stay at home and circulate around, helping things along.

How many of YOUR Dollar Bills take the midnight express out of town on the Envelope Route?

### Health in the Canal Zone.

The high wages paid make it a mighty temptation to our young artisans to take the force of skilled workman needed to construct the Panama Canal. Many are restrained however by the fear of fever and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malaria's influence with Electric Bitters on hand. Cures blood poison, biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by Barrington Pharmacy. 50c.

### Bridal Shower.

A "miscellaneous bridal shower" was the occasion of a very amusing evening on Tuesday night when the Misses Dolan of Cook street gave the party in honor of Miss Helen Dolan, of Grove avenue, whose marriage to James Leonard, of Lake Geneva, Wisconsin, occurs soon. The Ladies of St. Ann's Sewing circle and young lady friends to the number of over thirty gathered early in the evening at the Dolan home to surprise Miss Dolan when she arrived later with friends to call.

The house was most profusely decorated with red and white paper hearts in all sizes, red and white paper streamers and bells and a table arranged with a large crepe paper basket adorned with Cupids and hearts for the deposit of gifts. They were many in number and were beautiful articles in china, silver, cut glass and household linens, many being sent by friends unable to attend. The bride-to-be was greatly pleased with her presents and was the target for many a joke as she opened the packages.

Miss Marie Dolan had planned several amusements for the entertainment of the guests and a contest of balancing a peanut on a knife and carrying it safely to a distant dish was won by Mrs. Rose McGill of Lake Geneva, a niece of Mr. Leonard's who carried twenty peanuts, one by one, safely to their destination despite hindrances. Mrs. Michael Flynn of St. Louis landed seventeen. Mrs. Henry Danley, Miss Francis Lamey, and Mrs. Miles Lamey each carried one peanut about three feet. A mold of flour surmounted by a plain band wedding ring was sliced by each in turn, until finally Mrs. F. O. Wilmarth cut it down and was supposed to find the hidden ring with her tongue, but she couldn't find it. Each guest was blind folded and made to cut down hanging paper bags containing a souvenir, which were little Japanese articles and favors.

### New School Law.

With the opening of the public schools the results of the new compulsory school law, which has raised obligatory school age to sixteen years is to be forehanded. Formerly the law required only the children between 7 and 14 must be sent to school. The last legislature increased this maximum age two years. Instead of children being allowed to quit school and go to work at 14, as had been done, they will now have to go to school two years longer, unless circumstances of dire necessity force them to labor. Then, if the employment is one lawful under the factory act, and if the proper certificates are obtained from school authorities, the children may go to work when they are fourteen—Waukegan Sun, September 4.
