Present Instructive Program.
 The Farmers' Institute which was held at the village hall today was not as largely attended as it should have been. The program this morning was opened by a song by high school pupils. Rev. O. F. Mattison, in the absence of Mayor Spinner, delivered the address of welcome which was well received. Prof. Charles W. Farr, assistant county superintendent of schools responded in a short and spiky talk.

J. P. Mason of Elgin delivered an interesting address on the "Possibilities of Dairying." He was followed by Professor Fraser of the University of Illinois, who spoke upon "Dairy Husbandry."

In the afternoon Professor Fred H. Rankin of the University of Illinois gave a talk on "Experiment Station Work." F. A. Lageschulte spoke upon "The growing of Corn" which was followed by general discussion.

Delights were served at the meetings.

The address given yesterday at the meeting of the Y. M. C. A. by the community had spared a few hours of their valuable (?) time they would have been well repaid.

This evening at 7:30 o'clock at the High school assembly room Miss Margaret M. Banks of Chicago will deliver a domestic science lecture. It is hoped that the attendance will be better than at the morning and afternoon sessions.

F. W. Thies & company had a very narrow escape of a bad fire last Saturday morning, while Miss Lillian was doing some pyrography work in one of the front windows, some of the window decorations caught fire. The ready assistance of our fire company and a few "handles" put the blaze out before a great amount of damage was done.

Harry Kuebler had the misfortune to lose the left foot back to the heel Wednesday afternoon while slipping on a freight train. He, in company with Willie Babcock and Henry Dahle, were going hunting and as the train came the boys thought they would take a ride. Harry had a large pair of shoes on which pulled his foot under the wheel so that the toes and instep bones were crushed. He was taken at once to Dr. Stark's office, where he received immediate attention. Dr. Stark assisted by Dr. Black performed the operation. - At present he is doing nicely. This is a dear lesson for one boy but it should be a free lesson to the many boys that flip trains.

Here's Good Advice.
