Notice To Subscribers.
We are sending out this week to every subscriber whose subscription is not paid in advance, a statement of account. It is our desire to have the date of expiration shown correctly on the label of the paper. If it is not correct do us the favor of letting us know.
Under a recent ruling of the post-office department we would be compelled to pay one cent on each paper sent out to those who are in arrears one year. This means that if the label appearing on your paper today bears date prior to February 14, 1908, the additional postage has given us an extension of time in which to collect up and we trust if you are one of the delinquents you will do us the favor of calling upon us or sending in the amount due at an early date. The subscription price of this paper is \$1.50 in advance or \$1.75 if paid at the end of the year.
