MRS. BROCKWAY DEAD

An Old Resident, of Barrington,
Passed Away Tuesday

Afternoon.

The call of Death took a beloved mother from her home this week and, although her children are grown and established in homes of their own, they are deeply afflicted at the loss of a mother who spent many years in kind and self-sacrificing acts for their aged others.

Mrs. M. A. Brockway, aged eighty-five years, died Tuesday afternoon at one o'clock, March 3rd, of general debility augmented by an attack of jaundice. During the past month she had only been able to dress twice, and at times was quite a sufferer, although the final hours were free from pain and consciousness retained. Her life had been a long one as is said to have been so filled with cheerful kindness and sympathy for others that she seldom considered herself. The last thirty-seven years were passed in loving care of her husband, an invalid and cripple, who survives her and is in his 83rd year.

Mrs. Brockway was the mother of five children, four sons and a daughter, who are living, excepting James Brockway who died in Oklahoma four years ago. Henry K. Brockway is the postmaster here, O. Brockway of Waukegan a Circuit Clerk of Lake county, Miss Fannie Brockway resides here at her father's home and John Brockway lives in Willow Springs, Illinois. There also living seven grand children and three great grandchildren.

Sarah Dougherty Brockway was born in Clearfield, Pennsylvania, February 7, 1823. She was one of nine children and was born of Irish parentage. A sister and brother are still living and are Mrs. Kate Gaulin and Thomas Dougherty of Clearfield. Her girlhood was uneventful and her education was received in the public schools. In January, 1844, when twenty-one years old, she was married to M. A. Brockway in Chester, Pennsylvania, and in 1849, after the birth of two sons, they came west, making the journey across country in a wagon, through Ohio and Indiana, taking twenty-one days.

They settled one mile east of Lake Zurich on the land which is now the Henry Berghora farm, and there they passed about thirty-nine years; moving to Barrington about twenty-one years ago; first occupying the present Dargh Church on Cook street and then purchasing the present home.

The funeral was held Thursday afternoon at three o'clock at the house and the Rev. O. F. Mattison conducted the services. The burial was in Evergreen cemetery.

Alhgrin-Beshler.

A marriage service was quietly performed Wednesday evening at seven o'clock at St. Paul's church parsonage by Rev. G. H. Strang, who united Miss Emma Beshler of the Panning farm to John Alhgrin of North Hawley street. The young couple were unaccompanied and at once went to their new home in the De Vol house. Miss Beshler is the daughter of Mr. Anna Beshler and is a splendid type of worthy young womanhood who is widely known, having been a popular seamstress. Mr. Alhgrin is the son of William Alhgrin and has a good record for excellent habits and industry. He is employed by the Northwestern railway in Chicago.

DEATH OF MRS. PRUSIA.

Wife of George O. Prusia Died
at Her Home in Lake Zurich

Last Friday.

Lillian Prusia departed this life at eight o'clock Friday morning, February 28th, aged 47 years, nine months, after a serious illness of four and one half months of continual suffering.

Although the best medical aid and loving friends and neighbors did all in their power to bring her back to health, she was called peacefully to rest.

Lillian Whitney was born May 7th, 1867, at Lake Zurich, Illinois. September 25, 1886, she was united in marriage to George O. Prusia, emigrating to Nebraska where she lived two years. Her commercial engagements brought them back to Chicago where she resided a number of years, then finally settling at Lake Zurich, her old home.

Seven children blessed this union of which six are living, George W., Edna, Mabel, Cora, Clara and Joseph. She accepted Christ and was baptized in the Baptist faith in 1885; but with impaired health was not as active in church work as was her wish, devoting her christian work to her family and with those whom it was her opportunity to meet; as a neighbor she was always ready to extend a helping hand in sickness always anticipating the wants of her friends and especially those in trouble and need.

She was a great lover of home a most devoted wife and an affectionate mother; her very thoughts were for their comfort, happiness and welfare. Although a sufferer for many years of rheumatism and other complications she was always cheerful, patient and kind.

She leaves to mourn her loss a husband and six children, a father, mother and three sisters.

Interment was at Evergreen cemetery, Barrington, Illinois, Sunday, March 1st.

Good Advice.

Rev. White, pastor of Grace Methodist church, Chicago, demanded last Sunday of his audience of 700 working men:

"How many men here have mothers living?"

Seven hundred hands were raised.

"Now, how many of you make it a practice to write to mother every week?" asked Dr. White.

Grizzled heads bent forward and a look of shame passed over the sea of faces.

"How many?" repeated the speaker.

Two palms were elevated, one by a youth in the gallery and the other by a middle-aged man.

"Ah, boys, it is a duty none of you should overlook," said Dr. White.

"Write mother every week and follow the example of two of your companions here."

The Lucky Quarter.

Is the one you pay out for a box of Dr. King's New Life Pills. They bring you the health that's more precious than jewels. Try them for headache, biliousness, constipation and malaria. If they disappoint you the price will be cheerfully refunded at the Barrington Pharmacy.

To Tax Payers.

I will be at the office of Piaggio & Co. Wednesday and Saturday of each week to receive taxes for the township of Cuba. Taxes must be paid on or before March 5th.

AGUSTUS SEMPF, Collector.

"I'm so glad you've finally managed to visit us," said Mrs. Furse-Famley of Virginia. "Come right into the picture gallery. I want to show you my new masters." "Gracious!" exclaimed Mrs. New-Rich of Chicago. "I didn't know you was ever a slave." Philadelphia Press.

"Boost the Booster!"

That's the official slogan of a certain town in Arkansas which through boosting itself and boosting its boosters has doubled its population since the 1900 census.

BOOST THE BOOSTER!
The Arkansas town had been quarrelling among itself for years, and standing still. It had boosters, but it had others who refused to boost the boosters, refused to stand by them and yell, "Good boy—keep it up!"

BOOST THE BOOSTER!
Finally the town got together with itself, organized a "Boost the Booster Club" and began to boom. Now its principal thoroughfare, which was a stretch of mud, is a stretch of asphalt, and it has new buildings to match. Now everybody boosts the booster and booms the boom.

BOOST THE BOOSTER!
This town might take a hint from that one. We have our town boosters—every town has some. But sometimes they get discouraged because of opposition right here in our midst.

BOOST THE BOOSTER!
Cut out the criticism!
Quit the queering!
Boom the Boom!
Then watch the old town perk up and plunge forward. You can see it move.

WHEN YOU BOOST THE BOOSTER YOU BOOM THE BOOM.

Former Resident Dies.

Daniel P. Mungler, aged 58 years, a former resident of this vicinity who died at his home in Sherborn, Minnesota, on Saturday, February 29th, was brought to Barrington at noon Wednesday and taken to the home of his cousin, H. A. Harnden.

Brief funeral services were held by Rev. O. F. Mattison which was attended by old friends and relatives here and relatives from Cary and Dundee. The remains were buried in the White cemetery north of town.

Daniel P. Mungler was born in Springfield, Wisconsin, February 25th, 1850. At the age of fifteen he moved to Martin county, Minnesota, where he continued his education in the public schools, and Carlton college, graduating in 1872. He followed his chosen profession of civil engineer for several years after which he moved to Chicago.

September 16th, 1883, he was united in marriage with Miss Mina White at Barrington, one of the daughters of the White family of the present Peckham farm; for whom the White school was named. Of this union were born two daughters, Alaina and Callie, who, with the wife, are left to cherish his memory; also one brother and two sisters.

Mr. Mungler was a member of the Congregational church and ever lived a consistent, Christian life.

Meeting of Insurance Ass'n.

The annual meeting of the Barrington Township Mutual Insurance Association occurred Monday afternoon in Barrington Central church, where President Henry Bucklin of the Association presided. The attendance was good. The organization was reported to be in excellent condition with only a small expense of \$5, during the entire year which was incurred by a small damage to the house of Chris Reke caused by a falling tree. There are 175 members. The men in office are: president, Henry Bucklin; secretary, George Bauman; treasurer, Fred Lageschulte; directors, Fred Schewann, Joseph Miller and Carl Durwold.

Both Are Happy.

There are two types of women who are fairly happy—the woman who has plenty of congenial work to do and the one who knows how to hold her tongue. Half the misery in the world is caused by unkind speeches. Often the speaker does not know that her words are unkind, but unless one is sure that one's remarks are to bring someone pleasure, it is best to smother them. You say that you are a victim of the talk habit, that you love to talk and can't help it. Well, you are not in a class by yourself. Every woman alive is right with you. By the time a woman learns to keep her own counsel she's ready to die of old age, or the agony of silence.

Krusezyne-Tleszinska.

The marriage of Frank Krusezyne of the Kohlmeier farm, southwest of Chicago, to Mrs. Josephine Tleszinska of Chicago, took place Sunday morning, March 1st, at St. Ann's Catholic church following the morning service. The Rev. Father Peter of Norwood Park officiated. Miss Lillian Mieszinska, daughter of the bride, and Mr. Joseph Krusezyne, son of the groom, accompanied their parents to the altar.

Services Rewarded.

Members of St. Ann's parish surprised Edward Martin Thursday evening at his home on Franklin street with a birthday party. During the evening a large beautiful Madonna picture, finely framed was given him by the church people in appreciation of his faithful services as business Director of the parish during the absence of Father E. J. Fox abroad. Mrs. Virginia Kingston arranged the party and solicited the purchase money.

GIVE ANNUAL BANQUET.

Thursday Club Met at Home of Mrs. Sanford Peck Last Evening.

A banquet enjoyed each year by the ladies of the Thursday club was repeated again this season with all the pleasure of succeeding years and all the interest of the season of 1908. Mrs. Sanford Peck's home was the place of entertainment this year and the house was made attractive with crepe paper bells and decorations in red, green and white flowers. The dinner was served to thirty-three in three courses at one long table extending through the rooms, by Madeline Peck, E. Hawley, G. W. Spinner, P. Ackelman and S. Seebert, a committee on arrangements.

The toast master was R. L. Peck of Palatine who introduced the following post-prandial speakers: Mrs. Clara Sears, "Our President"; Miss Eva Castle, "Our Men" and G. W. Spinner, "Our Women."

After dinner a program opened with a short talk by Mrs. William Howarth, the club's president; violin and piano duets, the Misses Smith of Cary; reading, Francis Dolan; piano solo, Miss Cornelia Smith; a paper on "The Home and Its Influence," Mrs. A. Weichelt.

Mrs. Spinner was chairman of the banquet committee and every effort was made to make this annual occasion, the 13th of its kind, successful in all details.

Mrs. Howarth spoke as follows: "We have passed the fateful 13th year of our club life without any calamity having befallen us. It has been a blessing, and we trust as satisfactory in results, as any before. From our varied reading and study that have taken us over, and under, land and sea, and among the stars, we can hardly have failed to gain a goodly store of knowledge of the world's doings, of its discoveries and inventions, that will enable us to enter upon our 14th year better prepared than ever for the work we may choose. There is little danger that the social side will be neglected, as we all find the meetings too enjoyable to omit them."

Of the Village Board Was Held Monday Evening. Time of Primaries Fixed.

The village board met in regular session Monday evening with all members present, President Spanner presiding.

The minutes of previous meetings and report of George A. Jencks, treasurer for the month of February were read and approved.

Current bills for the past month were allowed. A bill of H. P. Casle for attorney fees for \$18 in the appeal of J. H. Forbes, for alleged violation of village ordinance was objected to by Trustee Dockery. He thought inasmuch as the case was prosecuted by the Law and the village they should bear the expense of the appeal. The other five members of the board voted to pay the bill.

The judgment rendered in favor of Flora H. Meyer, February 24, 1902, for damages sustained in the raising of grade of Main street in front of her property was ordered to be paid. The amount including interest, court costs and witness fees was \$709.47.

R. H. Lyle in a communication objected to payment of the special assessment for water mains on Cook street, as the rate of the assessment was too high. The time for objection having passed the collector was instructed to notify him to pay his proportionate share.

Trustee Dockery of the water committee said that the committee had agreed upon a rate of two dollars per annum where water motors were used as power for running washing machines and for other similar purposes. The report of committee was adopted.

Trustee Hager offered a resolution which was adopted fixing the primary for the purpose of nominating all village officers to be elected at the coming village election, April 21, for Saturday, April 4, from 3 o'clock p. m. to 5 p. m. The voting is to be under the Australian ballot system and all candidates are required to file with the village clerk in writing, their names, giving the office for which they are a candidate at least five days before the date of primary.

The names of all candidates are to be printed upon one ballot and votes receiving the highest number of votes will be declared the nominees.

There being no further business the board adjourned.
