Death Was on His Heels

Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and ill that such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again; I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at Barrington Pharmacy. 50c and \$1.00. Trial bottle free.
