BARRINGTON, ILLINOIS, FRIDAY, MAY 2, 1908

\$1.50 A YEAR IN ADVANCE

89TH ANNIVERSARY

Of Odd Fellowship in America Celebrated by Barrington Lodge and Rebekah Degree Members.

Last Friday evening members of Barrington lodge, 856, I. O. O. F. and Autumn Leaf lodge, 636, held appropriate exercises at their hall in commemoration of the 89th anniversary of Odd Fellowship in America.

The weather was stormy and many were on this account obliged to forego the pleasure which the evening afforded. However, the faithful of both lodges attended and while the elements stormed without inside the lodge hall, good fellowship and solid enjoyment reigned.

The program consisted of the regular form prescribed by the laws of the order, which was presented by Past Grand Lines, Vice Grand Page and Representative Alverton. The Grand Master's proclamation was read by Secretary Morrison, after which the assembly united in paying tribute in song to the Orphans and Old Folks homes.

Representative P. J. Alverton spoke of the work of the order relating to the care of its orphans at Lincoln, and its aged members and wives at the home at Mt. Zion.

A. C. Lines told of the work of the encampment branch and subordinate lodge.

C. H. Morrison read a paper on "Fraternalism" which was adapted specially to the local societies. He said in Part: "Odd Fellowship has long passed the experimental stage, neither is it a theory, but it is the practical application of a great principle of human nature to the every day conditions of life. It has attracted to its lodge rooms 1,700,000 members and in the past year paid for relief of sick and destitute brothers and sisters \$5,000,753.37. It is the greatest factor (next to the church) in upbuilding the home circle in making men better citizens. The orphans home and old folks home maintained by the Odd Folks in Illinois, are monuments to the noble work engaged in by 899 Fellows and Rebekahs."

Miss Jennie Lines contributed a humorous reading which pleased. Prof. Fulton gave one of his interesting impromptu talks on his experience in the order which was interesting.

Miss Alta Powers, Noble Grand of Autumn Leaf Rebekah lodge, and Miss Georgia Topping, representative to the Rebekah Grand lodge, furnished musical selections.

Refreshments were served by the Odd Folks and while not as elaborate as the ladies would have offered were substantial and satisfying.

The occasion was one of genuine fraternalism and heartily enjoyed by all who participated. The two lodges are doing much for the betterment of all men and women who enter their ranks and the influence for good is spoken of by those of the public who note the stand taken by them for society and good citizenship.

CUBA ASKS FOR A SALOON.
Our bustling little suburb Cuba is making an effort to take care of its trade that is said to be going elsewhere on account of Barrington being a dry town.

A petition has been circulated in the township, and is said to contain a majority of the voters of the township, addressed to the Lake county board of supervisors, asking that a dram shop license be granted to McGraw & Sherman to run a dram shop at Cuba mill station.

If the prayer of the petition should be granted this would bring a saloon within three miles of the limits of this village and is not taken as pleasant news to the promoters of dry Barrington.

Cuba is not crowded on the map of having a population but has a general store, feed mill and blacksmith shop, all doing a good business.

It is said that an effort is being made to have a side track put in on the Northwestern at this point. A petition has already been presented to the C. & M. W. Ry. asking that they lay down a regular passenger train in addition to the milk train which now stops there.

Miss Klumbeck, opinion, at office of Dr. Richardson, Tuesday, May 6, from 3 to 6 p. m. Do not forget the time.

ENTERTAINMENT WAS GOOD.

Program Presented by the Grade Pupils of the School Was Excellent.

Notwithstanding the inclemency of the weather last Monday evening a large number of the people of this village assembled at the school house to enjoy the program given by the children of the school. Unlike the preceding entertainments given by the school during the year, this consisted almost entirely of readings, songs, drills and instrumental numbers given by the children of the grades, whereas the preceding two programs were rendered mostly by the students of the high school assisted by outside friends. No charge was made for admission to the first two presentations but a collection was taken to defray incidental expense and buy books for the library, both collections amounted to \$26.70 of which \$5 was used for printing and programs and \$18 for books.

Monday evening a charge of fifteen cents was made at the door, the gross receipts amounting to \$23.50, which together with the balance on hand will be used to buy books.

The entire program given Monday evening was good and highly entertaining throughout. Many complimentary remarks were passed upon each number. The pupils and their teachers have reason to feel pleased because of the large attendance and fine quality of presentation that was shown by the audience. The program rendered was as follows:

- Piano Solo Irene Keeler
- Reading Constance Purcell
- Chorus (Awake) Second Room Girls
- Reading Beatrice Bennett
- Children of the Land Frances Glick
- First Room Pupils
- Browale Drill Third Room Boys
- Vocal Solo Pearl Burkhardt

FINED FOR TRESPASS.

S. E. Smith of the Shufeldt farm caused the arrest of Fred Melling of Chicago yesterday for trespassing. Mr. Melling was out hunting in company with Frank Haase also of Chicago. They wandered onto the Shufeldt farm and Mr. Smith, the tenant, invited them to take a ride to Barrington. The hunters did not suspect what Mr. Smith had planned for them and accepted the offer.

Upon their arrival in Barrington they were headed for the nearest market of Justice of the Peace F. J. Alverton of Lake county by Mr. Smith. Haase was suspicious and refused to go further and took the 231 train for Chicago instead. Melling was an easy victim and went before Justice Alverton, waited for a while to be made out, accepted service and a fine of three dollars and costs.

Mr. Melling had a hunter's license and said that he was not aware that signs had been posted upon the farm prohibiting hunting and that when told of it said he was ready to comply with the notice. He returned to Chicago on an evening train not pleased with his outing.

NATE ODGEN.

The marriage of Dr. Raymond Jesse Nate to Miss Geraldine Odgen is announced. The ceremony was performed at Jacksonville, Illinois, Wednesday, April 29th and they will live at Lake Bluff.

Dr. Nate is the youngest son of Rev. John Nate of Avondale who was formerly pastor of the Methodist church here. The doctor attended school here as a boy and has many old time friends in this village; of late years he is visited here at the home of his sister, Mrs. Ada Nate McIntosh.

Miss Odgen is a Chicago school teacher and was a member of the Barrington Woman's club during its first and second year of organization. The congratulations of all are extended to this estimable young couple.

ANNUAL MEETING.

The Evergreen cemetery association of Barrington will hold their annual meeting at the village hall, Tuesday, May 5th, at 1 o'clock P. M. for the purpose of hearing the reports of officers and the election of five trustees. All lot owners are entitled to vote. J. C. FLAGGER, Secretary.

SALOONS ARE LICENSED

(YES—NO)
For a Period of 21 Days Until Local Option Law Becomes Effective.

The board of trustees met Wednesday evening at the village hall with all members present and President Spunner presiding.

- The following bills were allowed and ordered paid.

- John C. Plage, judge of election 5 00
- M. T. Lamey, judge of election 5 00
- George J. Hager, clerk of election 5 00
- George A. Jenks, clerk of election 5 00
- L. H. Bennett, clerk of election Barrington Fire Department, services 81 75

- H. J. Lageschulte, services as trustee 13 50
- Wm. Peters, services as trustee 12 00
- John C. Plage, services as trustee 13 50
- Henry Dunlea, services as trustee 13 50
- Total 233 29

On motion of Trustee Plage the board adjourned sine die.

The newly elected members John C. Dodge and F. J. Alverton as trustees and Roy C. Myers village clerk, having previously taken the oath of office, were seated.

George W. Foreman made a request that the saloons be granted a license for 21 days, covering the period up to the time the local option law becomes effective.

A discussion followed in which Attorneys M. W. Mattson and L. H. Bennett took part. It was practically agreed that the board had the right to grant the license but it was a rather embarrassing position for a man opposed to license to be placed in, being asked to vote for what he has said that he was against. The discussion lasted for an hour in an undertone in which the twenty-five citizens present were unable to hear. Mr. Foreman made a request that the members of the board talk louder so they might all hear. Finally, Trustee Peters made a motion that the saloons be granted licenses for a period of 21 days upon their filing with the village clerk, bonds to be approved by the committee upon licenses, and the payment of a license fee at the rate of \$500 per annum for the period that the license was granted for. Motion carried.

F. W. Stott addressed a communication to the board asking that the time of closing pool and billiard rooms be extended to 11 o'clock. It was referred to the license committee.

Trustees Bourne and Wm. Grunau applied for the office of village treasurer and collector. The appointment will not be made until next Monday evening.

The bond of Roy C. Meyers as village clerk was presented and approved. On motion of Trustee Peters board then adjourned.

The license committee to whom was referred the application and bonds for dram shop licenses met last evening and concluded that they did not wish to grant licenses in compliance with a resolution passed Wednesday evening.

President Spunner was appealed to and a special meeting was called by him about nine o'clock. All members responded.

The following is taken from the minutes of the meeting: "Moved by Dodge seconded by Lageschulte that resolutions passed at special meeting April 29, providing for granting of dram shop licenses for a period of 21 days be reconsidered. Carried; yeas 0, nays 0."

Moved by Dodge seconded by Lageschulte that applications of Frank McFall, Charles Kosmin and G. W. Foreman for license of 21 days from May 1 to May 21 be denied. Yeas 0, nays 0.

April 30th A. D. 1908, and that at the said meeting the resolution granting dram shop licenses was revoked. I was accordingly instructed to notify you of said action of the board. Govern yourself accordingly.

ROY C. MYERS.

The saloons have complied with the order and are not open for business.

MUST BE CAREFUL.

The wise editor of one of our exchanges says that "it costs a country newspaper money every time it takes stand on any question. Almost any other citizen but a newspaper man can do so without incurring his business, because he is not put on record. When a newspaper publishes anything it's there in black and white and no way to get around it. If the editor advocates improvement, the mossbacks go after him and sometimes stop their paper. If he opposes any improvement, the progressive sort get on his frame, and call him a back number. If he bores the churches the liberal element calls him crazy, and if he doesn't, the church people say he's going to the devil. If he publishes politics, the opposition gets into his hair, and if he doesn't he is charged with being afraid to stand for his opinion. If he condemns mail order houses, there are some people who ask him to attend to his own business, as they have the right to trade where they please. If he publishes mail order his home merchants go after his grog. No country paper can come out squarely without making enemies and losing money, and in the run of a year or so will receive some criticism from nearly everybody. But this should not be discouraging. The newspaper that undertakes to please everybody will please nobody, and if it is honest and sincere and thoughtful, the public will respect it."

ELECT OFFICERS.

There was a large attendance at the Epworth League annual business meeting of the Methodist church at the residence of J. E. Freeman on Tuesday evening. Officers for the coming year were elected as follows:—President, Miss Grace Freeman; 1st Vice President, Miss Hattie Frey; 2nd Vice President, Miss Gertrude Hager; 3rd Vice President, Mrs. W. C. Haraden; 4th Vice President, Miss Louise Reike; Secretary, Miss Emma Pomeroy; Treasurer, R. D. Wells; Organist, Miss Mildred Elfrink.

At the close of the business meeting some time was spent in a social way, with music and guessing games. Light refreshments were served.

The League is flourishing and starts out well offered for the new year.

A WISE FARMER.

A farmer in Illinois, who has as much horse sense as some people have hay, tells how he utilizes his home paper as an advertising medium to save both money and time. He says: "When I am ready to sell my stuff, I insert a little advertisement in the morning paper telling them what I have to sell. If stock, how many head of each and when they will be ready to ship. The result has been that the buyers are right after me either personally or by mail, and naturally I always get the highest price. If I want to buy a cow, a steer, a horse, or a door, I each insert a little ad that costs me only 25 or 30c, instead of traveling aimlessly about, and I get a better selection to choose from."

CELEBRATES 50th BIRTHDAY.

About forty friends of Fred Kirschner drove out from Barrington Tuesday evening to his farm residence north-west of this village to remind him that he had attained his 50th birthday. The affair was arranged with the expectation of giving him a "surprise" but the telephone calls during the day had made him suspicious that something unusual was to happen. Progressive clink was the entertainment arranged for the evening; Mrs. Donlea received first honors and Lawrence Donlea and P. A. Hawley were close seconds. Refreshments were served and a very enjoyable evening passed.

PAY YOUR WATER RENT.

All persons desiring to use city water for sprinkling purposes are hereby notified that the water rent for usage was due on May 1st and must be paid before the water is used. The superintendent of water works has instructions to turn off the supply where the ordinances governing the using of water is not complied with. GEORGE A. JENCKS, Village Collector.
