Bronchos Defeat Antioch 28 to 24 in Fast Contest

Clarkmen Show Speed in Victory on Antioch Floor; Ponies Win Again. Last Saturday night the Bronchos defeated the Antioch 28 to 24 on the Antioch floor. This is an accomplishment as other Barrington variety teams in the last seven years has been able to achieve. In the past Antioch has had the Indian sign on the local teams, but the charm failed outplayed their rivals and deserved to win although the game was close throughout. The score at the end of the first half was five all and at half time it was 12 and 12. In the last quarter the Bronchos stepped out a little, but in the manner in which Antioch flipped back from time to time made the game doubtful until the end. The speedy Kasherov, Antioch star, was held to two baskets. Bishop of the Indians and Beaman of the Bronchos each scored five baskets and a free throw while Bill Landwer of the Bronchos scored eight points. It was the Barrington boys' excellent ball handling that gave them the edge. That together with the ability to connect on free throws brought them the victory. The Antioch players played a rugged game but they held their opponents to one field goal each half and won handily 28 to 24.

Elia Here Friday. Two neighboring rivals will clash here Friday night. The speedy Clarkmen of Lake Zurich come to town. The Elia team is reported as the smoothest working outfit they have had in several years. They defeated Warren recently by about the same margin as the Bronchos at a practice session. The local team has a chance to bring their conference percentage up to 500 and they are going to be in the game with all their might. The two regular games will be preceded by a Frook-Soph warm-up on the non-squad boys, but the highlights will take the floor as usual at 7:30 o'clock.

On Saturday night the squads will clash in the Frook-Soph for two games with the teams representing a new three year high school which has been opened recently. The box score: Bronchos, 28; Antioch, 24.
