(Continued from page 1)

As compared to other villages in the county. An interpretation of the vote Tuesday night that many were made out of the sale of beer in the village.

The village board here is a step forward in its attempt to deal with the problem of beer in the village. It is the first time in the history of the village that the board has taken such a step.

The board's decision is a result of a long and hard fight. The board has been opposed by many who are opposed to the sale of beer in the village.
