Tire Prices Down; Cheap Brands Are Discontinued

A sharp reduction in prices in addition to the discontinuance of cheap brands...

Prices on All-Weather tires are now at the level paid for Pashfinders 3 year ago...

Twenty-nine million passenger cars are on the road today are unsafe for operation according to a survey made by the Goodyear company.

The survey showed that one out of every three tires checked had been worn smooth and this was a real danger to motorists.

Multiplying the number of passenger cars registered in the United States, approximately 22,000,000 by four and dividing by three, gives a total of 29,000,000 tires.

This figure is ultra conservative because it takes into account only those tires which are likely to be in worse condition than the tires in actual operation, or the millions of other tires, the condition of which borders on the danger line.

Getting Back to Normal... Office of Edward Barrett, state auditor, is very busy these days looking after the opening of the banks that are in a position to open.

Great progress has been made in the opening of the banks and within a short time the banking business of the state will be in a much more settled condition.

The people are assured that care is being taken, and that the interest of the depositors is being well looked after.

Crown Ovas Many Acres... Agricultural estates in England belonging to the crown total up to 16,580 acres.

Green and Black Tea... The most common tea in use in China tea, which is made from the leaves of Thea sinensis.

Green and black tea is closely related to the camellia, both green and black tea may be manufactured from the same plant since the difference is due to the process of preparing the leaves.

Green tea is the result of drying the leaves immediately upon their removal from the plant, while the leaves of black tea are fermented for a short time before they are dried.

Bell Found After 60 Years... The most common tea in use in China tea, which is made from the leaves of Thea sinensis.

The bell which was originally hung in the tower of the Cumberland (Scotland) parish church about 1667, has been restored to the church.

ADVERTISMENT

LOST 40 POUNDS ON DOCTOR'S ADVICE

"In a use of Kruschen Salts as a reducing remedy and my weight was reduced 40 lbs. in the past year. An annual reduction as my doctor advised. Miss Bernice Wald, Haman, N. D. (Oct. 26, 1922).

Once a day take Kruschen Salts... water first thing every morning.

Besides losing weight FATFULLY you will gain in health and physical appearance—constipation, gas and acidity will cease, better-tasting food, younger—more active—full of ambition and better-looking eyes.

A jar that lasts 4 weeks costs but a trifle at any drug store in the world. Get it and get Kruschen and if one bottle doesn't joyfully please you—money back.
