"The Century of Progress in Electricity at Work" - the Exhibit of the Electric Light and Power Industry.

Company is coming! RELATIVES and old friends from far-off places will soon be coming to visit you... The World's Fair starts in June.

Of course you'll be glad to see them again. And in playing host, you'll want your home to look its best—even better than its best.

Here are a few "what-to-do" suggestions from your Public Service Company and other local dealers: Nothing makes a home look more hospitable than friendly entry lights.

To economically launder all the extra sheets, pillow slips and table linens you'll be using when company comes, we recommend a modern electric washer. The new Thor and the new Conlon machines are special now at only \$5 down.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS
