Things Look Different in

COLD BLACK TYPE

"I HEARD," said the friend, "that you have just made \$50,000 in the insurance business."

"Right - except for one or two slight particulars. It was real estate-not insurance. It was \$75,000, not \$50,000. And I didn't make it-I lost it!"

Has it ever happened to you that something you've told an acquaintance comes back, after many days, so distorted that you hardly recognize it? The spoken word so changes and colors much that we say, that by time it passes many lips only the skeleton of truth remains

But how different it is with the printed word! That is why you can But how different it is with the printed word: Inat is way you can trust the advertisements. Had you thought of it that way? Because the manufacturer and merchant are compelled to be accurate in type, you know that the quality of soap, ginger ale, clothing, butter or furniture you buy is as standardized as the calendar, It's all the manufacturer and retailer claim for it. IT HAS TO BE!

BARRINGTON REVIEW

"COMPETITORS"

"COMPETITORS" a thrilling story of remance! Plenty of laughs, too. Here is a fascinating story with a clever plot. Betty Starbuck, the pretty and capable heroine of the story is on the spot. She loves Tony a bit, yet Pop Starbuck and Tonys are competitors in the service station business—and mone too friendly, either. What a mess—and what to do! Here is an all-star cast of professional players that stage a fast running and entertaining show that is filled with real old fashioned romance, plus a modern business setting. There are jots of laughs! It's a real show—we are sure you will like it.

Like to LAUGH? See "COMPETITORS"!
Want a bit of ROMANCE? See "COMPETITORS"!
GO for a THEILT.? See "COMPETITORS"!
Want to make more MONEY? See "COMPETITORS"!
The HIT of the YEAR!

"PARLEY VOUS"
A riotous comedy with lots of wise cracks! Big guns—beautiful French
cirls—and an army of American soldiers with a dumb (or not so dumb)
bacter who makes this side eglitting comedy a prise winner.
