Our Brand New Modern

Fresh Meat Department

This new department is being installed to satisfy an urgent request of a great many of our regular Blue Front customers who prefer to buy their meats at the same place as they do their groceries and fruits. This department will save the housewife much time and unnecessary inconvenience and we assure everyone that the same will be given it as has been the custom in our grocery and fruit business.

A competent, expert butcher will be in charge who will thoroughly understand the handling and preparation of all cuts of meat and will at all times endeavor to serve your special wants in a prompt and courteous man-and fruit business in the past.
