

Order and Route of Big Parade for Convention Given

Saturday and Sunday at the home of the former's parents Mr. and Mrs. George Strober at Island Lake, west of Wisconsin.

Mr. and Mrs. Clarence Jenks spent Wednesday in Chicago. Mrs. Catherine Dora of Milledale spent Saturday at the Deber home.

A familiar scene in most any home that doesn't have automatic gas heat. Dad was up at 6:00 a. m. to stoke the furnace. It's 8:00 now and the house is still cold. Why not install gas heat and end this discomfort? May avoid sickness, too.

Gas heat made it possible for the children to have a recreation room in the basement. It didn't cost much—and it saves the upstairs rooms for Mrs. T.

Not that Mr. S. wanted to get up at dawn to stoke the furnace. He got to bed late last night and was pretty tired. But the house was cold and his wife insisted on it. Mr. S. will soon put in automatic gas heat so he can get his sleep in the morning.

New... Low Cost GAS HEAT

installed at our expense...removed at our expense if you don't like it

No other fuel ever made such an offer!

YOU INVEST NOTHING! Without one cent of investment by you, we install the most modern gas burner in your furnace or boiler.

curtains...slaving to clean soot-streaked walls. You save the wear and tear and expense of reconditioning your home and its furnishings.

on the equipment we install in the average home—you pay nothing during the three summer months, when the heating system is idle.

LOOK into the new low gas rates now before you spend a penny for your winter's fuel.

A servant that never sleeps Gas is the clean, healthful, only truly automatic fuel. No longer need you trudge the cellar stairs...

It is a daring offer. No form of fuel used through the centuries has ever dared match it.

Think of it—when you use gas for home-heating, a single match lights your furnace in the Fall.

Let gas sell itself Tell us you want to try gas-heating. Using your present heating apparatus, we will install the necessary equipment within four or five hours.

Too late—the damage is done. A big rut in Mr. D's lawn where the fuel truck missed the snow-covered drive.

Control can be permanently exterminated by the scientific methods of Monroe Laboratories. 10th-Proofing A SPECIALLY your home without disturbance or inconvenience of any kind whatever.
