SHOVELS For SA

when Gas Heat ends furnace drudgery forever Now in effect NEW LOW COST To prove that every home can afford to heat with Gas . . . we will for Heating Homes install it at our expense and remove with

THE old coal shovel. That's one thing you'll never regres selling or even giving away. You'll never be sorry that shoveling coal and hauling ashes are things of the past. Gas heat ends alf furnace drudgery. A single match is your kindling pile. Gas is always on tap and you pay for it after you use it.

it at our expense, if you don't like it.

Gas beat ends dirt

Gas beat ends dirt
The dirty coal bin, where dust and grime
collected to be apread over the entire house
is gone forever when you install gas heat,
is gone forever when you install gas heat,
ing up the house—no move direct enched
walls and curains. For when spotles gas heat
comes in—colles dirt goes out for good.
Let us install gas heat in pour hone. Learn
by experience its many benefits. All homes
—even the most modest—can now afford
it. The cost of gas at the new low rates is
jut half of what it was in the season 1930-31.

proof—we'll install it in your home without your making one cent of investment. Then you'll know from your own experience whether you can afford gas heat or not. During the nine heating month sof the first year you pay \$3.00 a month rental for the equipment in the average home. This charge will be included with your gas but And if for easy reason during the first but and the rental charge stops immediately. Further, we replace your former heating equipment in good workmanlike order. If you decide you want it, the rental applies on the purchase price.
