Cats Classed as Wild Animals
A search of Old English laws reveals interesting facts about the
standing of cats. Though more or
less domesticated cats were classified with deer, foxes, rabbits and
hares, as wild animals. They belonged to no one, unless kept in
close confinement.

Lightning Makes No Noise
Lightning is an abrupt electric discharge of great magnitude
through the air. It is not a sound
of any kind. It produces thunder
by suddenly heating the air along
its path to a very high temperature, and thereby causing it to expand in an explosive manner.
