

NEW YEAR'S GREETINGS

theatrical world than any film of recent years because of the odd mixture of its theme and the secrecy with which it was produced.

"Turkey Square," heralded as one of the year's outstanding photoplays, opens at the Duffalo Thursday and Friday, Jan. 4 and 5. It is the Fox studio's tribute to Jesse L. Lasky, which Jesse Howard has the words to sing and which Frank Lloyd directs. The theme of the film, taking place in the home of the Zimmoes, has already aroused more comment than did the film itself. It is a theme which is unusual in nature that its skillful handling makes it a distinct cinematic pleasure. Leslie Howard gives the best performance of his brilliant career.
