Building Activity Stays
Quiet in Barrington for
Third Successive Month
Barrington's building activity has been at a standstill for three successive months. November, 1934, was the last month that permits were issued in Barrington when a weak response totaling \$700 was recorded.
February, 1935 with no permits is a marked contrast with the same month one year ago when permits totaling \$775 were issued. They included remodeling of the village hall and construction of St. Matthew Evangelical Lutheran church.

Contract to Pave 3 Miles of Route 59 South of Viaduct

New Section of Road Will Be Parallel to E. J. & E. Railroad

Nearly three miles of paved road will be built in Barrington town next summer as a result of a decision of the highway department to complete route 59 south of the village.
