

Barrington Woman's Club

The Christmas party sponsored by the Barrington Woman's Club was a very successful one. A complete list of names and amounts will be given at the next meeting.

The meeting of the club at the Catlow theatre on Friday, Dec. 13, at two p. m. was a Christmas party for the Little Wanderers. The members are urged to bring gifts or contributions to the fund so that they may be used at the nursery for their own party.

The committee program has been arranged for our meeting. The program will read, "The Little Wanderers' Play," featuring a robust comedy and song. There will be a movie and a play. The meeting is a full week before Christmas, we hope for good attendance.

The home economics department at the Sherman Hotel on Friday, Dec. 12 and 13, interested in attending. The details from the Harold Gre-

Afternoon with Mrs. Alexander Reichmann as guest speaker. Her subject was "Bergonia and Cecil." Mrs. Reichmann has developed a splendid collection of rare and familiar species of these two plant families and her discussion, supplemented by slides showing the gorgeous blooms, was interesting and valuable.

Tea and a social hour followed the program with Mrs. E. F. Wickman as hostess, assisted by Mrs.

F. C. Kirchman and Mrs. E. L. Mundhenk. Christmas decorations were used at the attractive tea table and in keeping with the Christmas spirit of the affair, members brought gifts in holiday wrappings to be distributed to the hospital. Each member had been requested to make at least one hospital bag and put in it toys or small articles which would be of use or pleasure to invalids.
