## Barrington Woman's Club

The following, condensed version of the book "Charles Dickens, His Life and Work" by Stephen Leacock has been prepared by Mrs. Ralph Keeling. The review was interestingly presented by Mrs. Keeling at the Literature Study class, January 10.

"This new biography of Charles Dickens is justified by the fact that Dickens has not until now had a biography who could be enthusiastic over the writer but remain not blind to the faults of the man. It is fair and impartial. If a little over-enthusiastic and its own fresh charm and readable style make it worth of being placed on the shelves with the vast amount of writing about Charles Dickens.

"Leacock takes the reader back to the England in which Charles Dickens was born early in 1812; describes the fertile, neglected childhood of the little Charles, the hardworking early days of literary apprenticeship, and the blaze of glory which burst upon him when he startled the world with "Pickwick Papers."

"The influence of his early days on his literary work is emphasized, his journey to this country is described with all its implications and misunderstandings, and step by step we see him rise like a meteor from a poor, obscure writer to a wealthy, national idol.

"The tragic episode of his separation from his wife after 23 years of marriage and the birth of ten children is not glossed over

## In Hostess to Little Heralds

Mrs. Herbert Homuth, 323 W. Main street, who is superintendent of the Little Heralds of the Salem church entertained a large group of the small folks and some of their mothers at an annual meeting Saturday afternoon. A program, followed by games and refreshments was enjoyed by all.

## Entertains at Needle Work

Mrs. Carl Schweinms, 515 S. Hough street, entertained Circle D of the Methodist church at a social afternoon of needle work Tuesday.

## of women, and Leacock relates with sympathy the last years of Charles Dickens—shadowed by his broken home, his self-assumed burden of overwork, writing, lecturing, and editing, and his gradual breakdown of health and literary power.

"His popularity never diminished, his early novels had cast a spell over him who could see no faults in even his later, weaker efforts. At his death all England mourned him and his open grave in Westminster Abbey was filled with flowers.

"Leacock's biography has been criticized by reviewers for being over-enthusiastic, for placing Dickens before Shakespeare, but it seemed to this reviewer that most of the enthusiasm was warranted. It was surely tempered by criticism where criticism was justified—and that on the whole Leacock's work is sincere, entertaining, and entirely delightful.

Miss Bessie Vine from National Girl scout headquarters in New York City was in Barrington Thursday and Friday last week to confer with troop leaders, troop committees and members of local Girl Scout council.
