Pirates Triumph in Final Contest by 20 to 17 Score

Loss of Two Men Via Foul Route Weakens Bronchos in Final Minutes

Pirate careers blasted Bronchos hopes for conference record and an undefeated title by winning the conference title by a hard-fought battle in the Palatine court. Clark who have respectively guided the Palatine and Bronchos during that time.

Old Rivals—Salem, St. Paul—to Meet in Tourney Finals
 Salem and St. Paul, perennial church league rivals, will fight it out for the tourney championship next Monday night at the school gym in the win-up of the season's basketball activity. Salem reached the finals by eliminating the Baptists, and St. Paul advanced to the last round by beating both the Baptists and St. Anne. The game should develop into a real battle as each team has defeated the other one so far thus giving Monday's victor an edge in the year's play. St. Anne and the Methodists will clash for third place in the preliminary.

In last week's games the Methodists, led by Allen Johnson with 11 points, qualified for the consolation by tripping the Baptists 23 to 21. St. Paul, with Wolf, Meister and Reesa scoring consistently, edged out St. Anne 17 to 16. The game was a close one, both teams led at the half, the Baptists 12 to 7 and St. Anne 12 to 6.

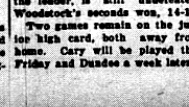

Woodstock Falls Before Bronchos in Tourney Clash
 Color of the Black Sea
 The waters of the Black sea, of great importance to the Soviet republics of Russia, are not black, notes G. R. Turner, in the Kansas City Times. Nevertheless, there is some justification for the name. It is riated in summer by violent storms that churn the water into an ink mass, and in the winter there drift over it heavy fogs that obscure the sunlight and lend a dark aspect to its surface.

Local Quintet Triumphs by 33 to 31 Margin at Crystal Lake
 In a nip-and-tuck, free-scoring contest, Barrington high's Bronchos defeated Woodstock 33 to 31 in the opening round of the district case tourney at Crystal Lake, Tuesday night. The lead changed hands all through the game, never more than four points separating the two teams.

Score by quarters:
 Bronchos...13 21 26-33
 Woodstock...13 21 25-31
 By this victory the Bronchos advanced to the second round where they met Crystal Lake last night. The result of that game and of the other the same night arrived too late for inclusion here and will be found elsewhere in this issue.

The Telephone Locates the Best Prices!
 All the months of care spent upon a farmer's livestock may be sacrificed by unprofitable marketing. Such a risk may often be avoided by using the telephone. The telephone is a proved and profitable link between farm and market. To follow market trends and locate good prices by telephone is simple and inexpensive. Both the sale itself and the shipping arrangements may be made over the wire. The same profit that results often pays the small cost of the telephone for many months to come. And when sudden illness, fire or any emergency comes, then the telephone service is priceless. Yes, the cost is moderate; you not only can afford a telephone—you can't afford to be without one.
