

Picture of Love and Hate Conflict Features Saturday

The dramatic story of revenge that turns into genuine love in the underlying theme of the picture, "Behold My Wife," starring Sylvia Blaney with Gene Raymond and coming to the Carlow theatre on a Saturday showing only following the final appearance Friday night of the romantic triangle.

News, cartoon, comedy and even alternate to women papers are added features for the Saturday night movie.

Fits entertainment of exceptional merit is in store for local moviegoers with the showing Tuesday and Monday of "Mystery of the Harbor Lights," screen adaptation of the Theatre Guild success, "The Day After Tomorrow," which enjoyed a long run on Broadway, with interesting starting role.

The photoplay version of S. N. Behrman's social comedy brings together for the second time Anne Arden and Robert Montgomery.

Recent pictures "Men in White" and "The Day After Tomorrow" are shown in alternate performances in which "Ladies Men" made that of the most delightful of last week's pictures.
