The Isle of Pines
In March, 1925, the United States
ceded to Cuba all claims to the
Isle of Pines which it had as a result
of the Spanish-American war. In
the understanding that the island
was to have become an American
colony, many Americans purchased
land there in the years following
the war. About 850 reside there.

... You get more out of a Pontiac
because we put more in it!
WHAT YOU get out of a car depends entirely on what the man-
ufacturer puts in it. Pontiac, for example, has put into the Silver
Streak Pontiac the very finest features that money can buy. You are
superior in a Pontiac, thanks to solid steel "Torque-Top" Bodies by
Fisher and triple-actuated hydraulic brakes. You are completely relaxed,
thanks to the steadiness of a full-weight car with automatic springing.
And your enjoyment of Pontiac's sparkling performance is increased by
the fact that Pontiac covers the miles with amazing economy. Yet
the Pontiac is one of the lowest-priced cars you can buy. A look, a
ride, and you'll decide you simply can't do better.
