Report Shows Increase in State Farm Lands Now Used

Reports published by the department of commerce through the bureau of census show an increase in land turned over to farm production during the years from 1929 to 1935. A total number of farms in Cook county is 4032 and in Lake county 1765. Lake county has an increase of 199 farms and Cook county 184 farms more than the 1930 figure.

Bald Eagle Not Recognized

The immature bald eagle are frequently mistaken for the American or golden eagle, for they do not attain the white head until they come into full plumage the second year.

Library News

The Barrington Public Library started last year a system giving its patrons an opportunity of taking books with them on their vacation during the summer months which proved very popular with the members of the community. The library will be very glad to make arrangements with any wishing to take advantage of the summer vacation reading of books for this summer also.

\$350 Collected for Camp Algonquin by Committee

Additional contributions to the Camp Algonquin fund have swelled the total to \$350 this week. Mrs. Potter Smith, chairman of the drive, announced today. Members of her committee had conducted a canvass of the estate district and had installed coin boxes at the "Hillside business houses. Funds will be used to further the work of Camp Algonquin on Fox river, a summer vacation spot for underprivileged children and mothers from tenement districts in Chicago.
