Powdered Skim Milk Is

Made With Huge Rollers

The manufacture of powdered skim milk is a simple process, yet too.

The simulacture of powdered skim milk is a simple process, yet too.

The process of the simulation of the simula

net.

In powdering whole milk the mil is forced in a very fine sprathrough a hot-air blast which moves all the moisture and permits the powder to fall in a hea at the bottom of the drying room.
