"Oil for Lamps of China" Here Sunday, Monday

"Reckless" Starring Ho and Powell Coming in Three Days

The special bill arranged for the 4th of July program at Calton will be shown for the first time Friday.

The novel upon which the picture is based, and which was the best seller, is a most original delineation of the life of an American in China.

Josephine Hutchinson, the girl Pat married, and John Eldridge, play the parts of Pat and Miss Ho.

As the musical numbers, "Oil for Lamps of China" a remarkable production.

Buttons Made From Shells

Buttons have been made in United States from sea shells since 1895 and from fresh water shells since 1901.
