**England's Fugitive Spot**  
In London, the empire's fugitive spot, statistics show that each of the inhabitants pays, on an average, a fee of about 20 shillings. This sum is expended between October and February in heavier lighting expenses and extra transport fares. It does not include chemist's and doctors' bills incurred through coughs, colds and sore throats caused by fog—Answers Magazine.

**No Lead Crosse in Kentucky**  
The general land office says that the federal government never made any lead grants in Kentucky.

**Carv Items**  
Continued from page 2
