

Fine Cast Heads Labor Day Show Sunday, Monday

"Broadway Gondoliers," "The Scoundrel" & "Naughty Marietta" Coming

With "Broadway Gondoliers" scheduled as the special Labor Day attraction Sunday and Monday; Noel Coward in "The Scoundrel" next Wednesday; and the request return showing of "Naughty Marietta" next Thursday, picture fans will find no lack of interest and variety in the current listings at the Catlow theatre.

"Escapade" which is being screened for the last time tonight, reveals Louise Rainer as a star of promise. With William Powell, Frank Morgan and Mady Christians, co-starring. "Escapade," with soft touch and praiseworthy sophistication, is developed into delightful movie fare.

Virginia Bruce and Robert Taylor in "Times Square Lady" are in the feature spot Friday; and Wiley Post, Ralph Bellamy and Tala Birell in "Air Hawks" are scheduled for Saturday.

"Broadway Gondoliers" is a novel musical comedy which reunites Dick Powell and Joan Blondell, the popular stars of "Gold Diggers." Adolphe Menjou and Miss Fawcett, Ted Flo Rito and his band and the "Four Mills Bros." are included in the all star cast.

The story revolves about Dick Powell, a New York taxicab driver, in his efforts to launch upon a singing career. In this ambition he is aided by Menjou who convincingly portrays a broken down Italian musical teacher.

"Broadway Gondoliers" is produced to top all Powell's former successes. Its exclusive, first-run here will add a festive touch to anyone's Labor Day celebration.

Noel Coward—author, dramatist, actor, composer and one of the most brilliant men in the theatre, has chosen "The Scoundrel" for his film debut. This production will be screened Wednesday—one day only.

Coward plays the role of a literary Casanova, a man who could not understand love until he had trodden it over.

Supporting him are Julie Hay-

don, brilliant young actress, Stanley Ridges and Hope Williams. Following "The Scoundrel" will be a request return engagement of "Naughty Marietta." It will be on the screen Thursday night of next week.

Mr. Ray M. Gibbs Dies While Preparing Lunch

Mrs. Elizabeth Carr-Gibbs, wife of Dr. Ray M. Gibbs passed away suddenly Thursday noon while preparing lunch. Mrs. Gibbs has always been in the best of health and her sudden death was a shock to the entire community. She was a member of Sutherland Woman's Relief corps, the Woman's club, the Ladies Aid Society of the Methodist church and has been treasurer for many years of the American Legion Auxiliary. "Circumstances! I make circumstances." That phrase is ascribed to Napoleon, and it has a certain amount of truth in everyday application. King's 5c to 11 store is making circumstances in the school sale which it is promoting with the special feature of \$5000 in cash prizes for ambitious students.

A single retail store in a community like Barrington can order by itself give away \$5000 in prizes available to them at the result of King's store enterprise.

When a national distributor for school supplies offered Mr. King the exclusive local loop-up with a national contest, he wasted no time in snapping it up. By doing so he has tied his school sale to what would seem to be an irresistible contest plan for all children under 15 years of age. A prize list of \$5000 would appeal to anyone under 15 years of age and make those over that figure wish they were kiddie again. Details of the plan are told in King's ad on page 4 of this issue of The Review.—Adv.

125,000 PEOPLE IN THE CHICAGO AREA ARE LIVING BETTER BECAUSE OF GAS HEAT

All winter long, too! increased joy of living because of Gas Heat

THE warmth and joy of carefree summer days right through the coldest winter! That's how thousands now describe gas heat. And that's just what you can have in your home—for a small extra cost—the freedom and joy of summer all winter long. Gas heat is carefree, clean and absolutely automatic. It fills your home all winter long with the even, healthful heat of an ideal summer's day. Brings to your family a cheerful comfort and convenience they've never known before. Fills your home with the joy of living. And frees you forever from furnace worries and work. No more constant cleaning of furniture, draperies,

walls. A gas heated home stays clean the year round. Gas heat, of course, takes care of itself. Once you have it installed, you're free forever from shoveling coal and hauling ashes. Just set a thermostat handily placed on the living room wall—and the temperature's fixed in your home for as long as you like. The furnace starts up automatically, too, in the morning, giving you extra hours of sleep. Make up your mind to enjoy the warmth and carefree joy of summer all winter long in your home. Thousands say automatic gas heat is well worth the small extra cost. Install gas heat now—before cold weather sets in. Call or write our nearest office. Ask for free estimate.

\$1000 Debt Reported Paid by Proceeds From Yarmark

At a special town meeting on Monday evening, D. D. Dwyer, president of the village board, reported that a director had been elected for athletics, recreation, theatricals and music and that the director and an advisory council work up available talent. He said such work should be started to keep young people in the Grove occupied during winter months. A ball team, tennis or recreational group of national value was suggested. A thousand dollar loan was reported paid off with receipts from the Yarmark. A complete report of the Yarmark will be given at a town meeting in village hall September 9.

Joe Holman, marshal, reported all state motor park permits according to new highway rules.
