256 Enrolled at High School; 442 in Other Grades

Registration at Opening of Classes Wednesday Is 698 Pupils

Attendance records in all departments of the Barrington Public school took an increase this year over last year. In the grades a total of 442 children were present Wednesday at the opening of classes. Junior high has 147 pupils and the lower grades have 275. High school attendance increased to 256 and indications show that more will come later.

Superintendent E. S. Smith reported that registrations have exceeded his estimates based on last year. He feels the increase is due to new families in the community. Last year there were 247 in high school, 141 in junior high and 260 in the lower grades.

Attendance at the grades is as follows: kindergarten 42, first 45, second 51, third 45, fourth 52, fifth 28, sixth 50, seventh 57, and eighth 60. High school registration is as follows: freshmen 45, sophomores 49, juniors 60 and seniors 62.

Complete attendance for the entire system is 698 pupils. Following is a table of comparison for four years:

1932	1933	1934	1935
High school 245	255	247	256
Junior high 146	144	141	147
Lower grades 250	239	250	275
Totals	641	658	698

Farewell Service for Students Will Take Place Sunday

A farewell service in honor of about forty local young people who will leave for college the middle of this month will be held at Salem camp grounds on Hillside avenue Sunday evening, Sept. 8.

In case of unfavorable weather, the program will be presented at the Baptist church. It will begin at 7:30 p. m.

A minister from one of the four churches will speak and following regular services, a social hour will be held. The public has been invited to participate.
