Ela Town Clerk and Wife Are Seriously Injured in Crash

Mr. and Mrs. August Froelich
Are Hurt Sunday; Lewis
Wolthausen Injured

August Froelich, 60 years old, Ela town clerk and Lake Zurich merchant, and his wife Mrs. Louise Froelich, 59 years old, were seriously injured when the car in which they were riding collided with a car driven by Calvin Bracher of Casey road, Libertyville, on route 63 at Casey road Sunday evening.

Mr. Froelich suffered a fractured nose, a deep laceration on the forehead and bruises on the body and Mrs. Froelich received a fractured left leg. They were removed to the Condell Memorial hospital in Libertyville for treatment.

The Froelichs were traveling south on route 63 in the car driven by their son, Charles, when at Casey road there was a collision with Bracher's machine, which was going north on the highway and attempting to make a left turn into Casey road. Neither driver was seriously injured.

Lewis Wolthausen, son of Mr. and Mrs. E. G. Wolthausen of Ela township, was severely injured when the car he was driving collided with a truck at the intersection of Rand and Quentin roads Friday night. Wolthausen, who was returning home from Chicago, received a double fracture of the nose, a slight concussion, a fractured jaw, cuts about the face and body and bruises. He was removed to the Palatine Community hospital where he remained until Monday.

According to reports, Wolthausen was going south on Rand road and the truck, owned by the Tascos Trucking Co. of Wheeling, which was also going south, made a turn into Quentin road and struck the car.

Machine driven by Carl Naecher, 532 E. Main street, and Frank Martin, 4616 Belle Plaine avenue, Chicago, were damaged when they collided at the intersection of Main street and the Northwest highway Saturday.

Mr. Naecher was driving west on Main street and when his truck slid onto the highway it was struck by Martin's, which was going south. Mr. Naecher's truck was heavily damaged.

Stores Will Observe
Holiday Schedules

The New Year's week-end will see local places of business observing curtailed holiday schedules, comparative reports made this week revealed. The First National bank will again observe the holiday by being closed Saturday evening and all day Monday. Drug stores and confectionery stores will be open for limited hours on Sunday and Monday while the majority of other stores will be closed all-day Monday, it was learned.

New Year's day falling on Sunday, Monday, Jan. 2, will be celebrated as a legal holiday by the postal service. Barrington post office will observe its usual holiday schedule, windows being open for one hour for the convenience of those who wish to call at the office for their mail, and the lobby will be open from 4 to 5 o'clock on Sunday and all day on Monday for the convenience of mailers and borrowers.

Going mail closing at 5 p. m. Sunday and 8 a. m. Monday. There will be no city or rural delivery service Monday.

Start Building Rink
on School Grounds

Work was started Tuesday for the construction of an ice skating rink at the public school playground, and if the weather permits, the surface should be ready by Friday or Saturday.

Victor Rieks and Herbert Landwehr, school engineers, and John H. D. Blanke, village trustee, started flooding the area laid out Tuesday and continued pouring water on it all-day Wednesday. Village equipment is being used, and as soon as it is possible, Superintendent of Streets Paul Purrell will start working on a rink in the baseball diamond, Hough and Washington streets.

To the residents of this and neighboring communities,
we thank you for your hearty and helpful cooperation
during the year just ending and extend to you

Our Sincere Wishes for a Successful, Prosperous and Happy New Year

Construction Total in 1938 Declines Sharply to \$59,225

Building Permits Issued by
Herman Garbisch Amount
to \$59,225

A compilation of building permits issued in Barrington during the last 12 months reveals a decline in construction work with the total dollars and cents about the lowest since 1935. The total for the year, as shown by permits issued by Herman Garbisch, building commissioner, is \$59,225. This contrasts sharply with the 1937 total of \$149,650 and the 1936 figure of \$114,812.

This figure included: seven new residences for a total of \$37,550, three new business buildings, a \$10,300, remodeling and altering eight homes amounting to \$7,350, remodeling three places of business, \$1,925 and ten new garages totaling \$2,100.

The months of January and February were absolute blanks and little in large building was gotten underway until September when the figure of \$17,850 was the highest for the year. However, in comparing this year's total with the past four or five years, it must be taken into consideration that no public improvements had been started as were in the past several years.

Following is the amount of building for each month:
January . . . None July . . . 1,875
February . . . None August . . . 5,800
March . . . \$ 2,300 Sept. . . . 17,850
April . . . 5,000 Oct. . . . 2,950
May . . . 19,225 Nov. . . . 1,750
June . . . 8,250 Dec. . . . 4,300
Total for year . . . \$59,225
Following is a resume of the year's work:

March
Mrs. Alice Legaschulte, remodel residence, 200 Dundee avenue, \$1500; Charles Thies, remodel store front, 114 E. Main street, \$500.

April
Mrs. Addie Homuth, residence and garage, 320 W. Station street, \$5000.

May
Henry Hobert, garage, 245 W. Lake street, \$400; Legaschulte and Hager, residence, West Lincoln avenue, \$4800; George Hager, residence, Grant avenue, \$3,000.

Infant Is Fatally Injured When High Chair Tips Over

Keith Hoffman, 7 Months Old,
Has Skull Fractured;
Rites Saturday

Keith Hoffman, seven-month-old son of Mr. and Mrs. Kenneth Hoffman, residing on the Clover Hill farm on Rand road in Ela township, was fatally injured when he fell with his high chair and fractured his skull early Thursday evening. The accident occurred while his mother was preparing his evening meal at 5 o'clock.

She had placed Keith in his high chair and had put it in front of the piano in the living room, with the thought in mind that the infant could amuse himself by hitting the piano keys.

While warming his meal in the kitchen she heard a crash, and upon going into the other room found that the baby had pushed over the piano and had pushed over his high chair. Keith's skull was fractured when his head struck the floor.

He was unconscious when picked up. A physician was called and the baby was removed to the Sherman hospital in Elgin, where he died at 1 o'clock Friday morning.

A coroner's inquest was conducted at Elgin Friday morning and death was found to be due to accidental causes.

Funeral services were held at the Ruhl funeral home in Dundee Saturday afternoon. Rev. W. H. Hill officiated and burial was in Dundee cemetery.

Keith was born in the hospital in which he died. In addition to his parents, he is survived by his grandparents, Mr. and Mrs. Henry Hoffmann of Dundee and Mr. and Mrs. S. S. Sheperdson of Peoria.

Hospital Patient
Mrs. Lesetta Gieske, 228 W. Main street, is receiving treatment at the Sherman hospital in Elgin.

Animal Hospital Will Be Opened

The Barrington Animal hospital, 216 S. Northwest highway, will be opened for business with the start of the new year, according to information received from Dr. A. G. Gieske, veterinarian, who is responsible for the conduct of the hospital.

Equipment is being moved into the building daily and the office and reception room, operating room and kennels are in readiness. The cost of the construction was placed at \$4800 when the building permit was issued in August. George Eiters was the contractor.

Dogs and other small animals will be hospitalized and cared for in the building, which Dr. Gieske will operate in conjunction with his general practice.

Zoning Commission Completes Hearings

The Lake county zoning commission has under advisement suggestions made by property owners at the 17 public hearings conducted during the past month throughout the county. In preparing the county zoning ordinance to be submitted to the county board of supervisors in February, the commission will consider the views brought out at the hearings, according to Chairman John J. Hogan of Waukegan.

A meeting was held in Barrington several weeks ago and comments, both favorable and adverse, were heard on the proposed zoning limitations in Cuba township outside the village of Barrington.

Week of Prayer Services Start Monday Evening

Ministers' Union Plans Event;
Programs Begin at 7:45
Nightly

In common with churches and religious groups throughout the nation, the first week of the new year will be observed as the Week of Prayer in this community. The Ministers' Union of Barrington has planned union meetings for Monday to Friday inclusive of next week and the people of the community, irrespective of religious affiliation, have been invited to participate in them.

The first meeting of the week will be held at the Barrington high school auditorium Monday, Jan. 2, and will differ from the other services of the week in that there will be no preaching. Presentation of a three-act drama, "The Tinker," will be offered instead. Full particulars covering this drama appear in another column in this paper.

The preaching for the worship services Tuesday to Friday will be on the common theme, "One Thing I do, forgetting the things which are behind and stretching forward to the things which are before, I press on toward the goal unto the prize of the high calling of God in Christ Jesus" (Philippians 3:13 and 14).

The schedule of services follows: Tuesday, January 3, service at the Baptist church. Rev. George P. Ellerbrake will preach on the subject, "The Past, Forgetting the Things Which Are Behind." The Baptist church choir will sing.

Wednesday, Jan. 4, service at the Methodist church. Rev. W. A. Stauffer will preach on the subject, "The Future: Stretching forward to the things which are before." The Methodist church choir will sing.

Thursday, January 5, service at Salem church. Rev. Charles R. Drussel will preach on the subject, "The Prize: The high calling of God in Christ Jesus." The Salem church choir will sing.

Friday, Jan. 6, service at St. Paul church. Rev. G. T. Nemeth will preach on the subject, "The Resolution: One Thing I do." St. Paul church choir will sing.

All services, including the Monday night program, will begin at 7:45 p. m.

Sailing for Denmark
Mr. and Mrs. Arne Miller of Cuba township will leave Monday for Denmark. They expect to be gone two months.

De Witt Jones, B. Carter, Kaltenborn Speak Here

Boake Carter Starts
Systematic Lecture
Tour Over Country

A study of sectional conditions and interests of the country is one of the reasons behind the decision of Boake Carter, newspaper columnist and radio commentator, to

BOAKE CARTER

embark on his first systematic lecture tour through almost every state in the union.

Mr. Carter will lecture in Barrington on January 26. Never before has Mr. Carter had any opportunity to do other than a few odd lectures here and there when time would permit between his heavy schedule of broadcasting and writing his syndicated newspaper column.

"I have had letters from millions of people in the last eight years," said the columnist, "now I have grabbed the first real opportunity that came along to see those same kind people who took the trouble to write letters to me. Yes, the schedule is a pretty tough one—on the go every day of the week—but it will be the kind of education that one could not buy in the best college in a hundred years of study."

Among Mr. Carter's correspondents there are some who have written to him almost monthly year in and year out. To him, they are as old friends, although he has never seen any of them. "It will be a great thrill to be meeting these friends face to face for the first time," said Mr. Carter.

Fire Causes \$1000 Damage to Sidley Home Thursday

Blaze of Undetermined Origin
Sweeps Through Attic
of House

Fire of undetermined origin caused approximately \$1000 worth of damage to the farmhouse on the W. P. Sidley estate on Sutton road Thursday night. The blaze was discovered at the north end of the farmhouse at approximately 7 o'clock by Frank Lawler, farm manager.

The fire started at the ground level of the building on the north end and spread to the attic by way of the stairs. The main part of the building, including the living room and bedrooms, was not damaged.

Mr. Lawler's attention was first attracted to smoke in the house and when he entered the building he found the flames on the outside of the house. No electrical wires or chimney were in the vicinity where the fire started.

It was believed that matches or other combustible material may have been carried along the sill of the building from that point by rodents.

In addition to damage done by the fire, there was also a heavy loss due to water. Most of the furniture in the house had been removed but that in two rooms suffered considerably.

The Barrington fire department was called to the scene and was able to bring the fire quickly under control. Furniture removed from the damaged house was stored in the garage pending repairs to the house.

Nationally Known Men Engaged for Winter Meetings

Series Starts January 26;
Other Prominent Speakers
Coming

K. V. Kaltenborn, who ably handled radio broadcasts of the recent European crisis, Dr. Edgar DeWitt Jones of Detroit, who has just retired as president of the federal council of Churches of Christ in America, and Boake Carter, radio commentator and newspaper columnist, will speak at Barrington community meetings which will be held during the latter part of January and first week of February.

This information was given out Wednesday by C. W. Kaylor, who was elected program chairman at a central committee meeting held early in December. Mr. Kaylor has made two trips to New York to interview prospective speakers.

The winter speaking program planned for Barrington by the representatives of religious, fraternal, civic, and social groups is making rapid headway according to C. W. Kaylor, general chairman. As the plan takes shape it is certain that Barrington will be the center of a patriotic awakening.

It will gain national recognition, "Everyone we wish to attract, the plan catches the enthusiasm of the Barrington organizations for this project," said Mr. Kaylor, "and the religious, civic, and social groups in the fields of religion, citizenship, and national affairs, share the belief that this program, centering as it does around a new appreciation of religious values and true patriotism, has tremendous possibilities. Mr. Smith has asked that we announce speakers as they are obtained and I am pleased to say that we have already secured speakers of international reputation." Several in addition to those named above, have tentatively accepted invitations to come here.

Mr. Carter, Dr. Jones and Kaltenborn will appear on January 25, 26 and 27 respectively.

In commenting on the meetings, Mr. Kaylor said, "It is doubtful if any city or town in America, regardless of size, has ever attempted such an ambitious program featuring talent of the calibre to be represented by the speakers who will appear in Barrington. The series of meetings starts January 25 and will probably run each night through February 5.

Enter Five Summer
Cottages at Briggs
Lake; Suspect Gang

Lake county deputy sheriffs began a search Wednesday for a gang of young men believed to have been looting summer cottages at Briggs lake, near Lake Zurich, in the absence of the occupants.

At least five cottages on the south side of the lake have been entered by the gang and various household effects stolen, it was reported by Charles H. Kaspar, president of the Briggs Lake Community association.

Cottage owners in the vicinity are being contacted by the association and deputy sheriffs to give descriptions of missing goods.

The first thefts were discovered by Henry Moller, caretaker of the cottages, on December 18. Tuesday the sheriff's deputies were notified of more burglaries.

Savings and Loan
Association Pays
Regular Dividend

A regular half yearly two percent dividend on all shares has been declared by the First National Savings and Loan association of Barrington, payable as of December 31, Arnold H. Sasse, president, reported this week.

The association has paid two percent every six months, or four percent per annum compounded semi-annually, since it was first organized in January 1934.

The first investment in shares has increased steadily during the last year, Mr. Sasse reported.

Directors of the association will be elected at the annual meeting of stockholders which will be held Wednesday, Jan. 18. The auditor's report will be read at that meeting.

G. F. Stiefenhofer Is Critically Ill

George F. Stiefenhofer, 51, has been critically ill at his home at 349 S. Cook street, since early this week. Mr. Stiefenhofer has been in poor health for about a year although his condition was not critical until recently.
